

What was the Holocaust?

The Holocaust (1933–1945) was the planned, state-sponsored persecution and murder of six million European Jews by the German Nazi regime and its allies and collaborators. The museum defines the duration of the Holocaust as 1933–1945. It began in January 1933, when Adolf Hitler, the head of the NSDAP party, came to power in Germany, and ended in May 1945, when the Allies defeated Nazi Germany in World War II. The Holocaust is also sometimes referred to by the Hebrew word "Shoah" which means "extermination". When the Nazis came to power in Germany, they did not immediately start murdering people on a massive scale. Soon, however, through the government, they began to persecute Jews and exclude them from German society.
