South African Politics

Tom Lodge

South African Politics:

The Political Economy of Modern South Africa Alf Stadler, 2022-10-05 Originally published in 1987 this book argues that South African politics reflect the changing ways in which the region has been incorporated into the world economy It traces the effects of a process of industrialisation under the dominance of mining on the other sectors of the economy and on the evolution of the class structure It shows how a coercive labour system influenced the definition of political and social rights in racial terms and profoundly influenced the development of authoritarian controls over blacks in the urban and rural areas from the 1920s onwards The book includes an essay on the different strands in the reform movement and speculates about the social and political forces which underlined the political changes which began to take place during the mid 1970s

Politics in South Africa Tom Lodge, 2003 This well informed and crisply written introduction will appeal to both students of contemporary politics and general readers interested in the new democracy Book jacket *South African Political Terms*

Marinus Wiechers, 1989 **Black Politics in South Africa Since 1945** Tom Lodge, 1983 **The Mail & Guardian A-Z of South African Politics** Paul Stober, Barbara Ludman, 2004 The A Z of South African Politics 2004 is an essential and entertaining guide for navigating the corridors of power in South Africa today Written by Mail Guardian reporters and other experts associated with the award winning newspaper the book will give readers an under the skin look at the country s political movers and shakers Three previous editions of the A Z of SA Politics have been best sellers The M G decided to compile a fourth edition after continual requests by readers and booksellers for another edition looking at who s in who s out and who s important in South African political life and what it means for the rest of us This lively reference work covers national government judges priests and premiers and those people out of government whom it would be folly to ignore

Political Science in South Africa Peter Vale, Pieter Fourie, 2016-01-13 In 2013 and in 2014 respectively the South African Association of Political Studies SAAPS and Politikon the South African Journal of Political Studies celebrate their 40th anniversary Also in April 2014 South Africa celebrates twenty years since the advent of the post Apartheid democracy and the birth of the rainbow nation This book provides a timely account of the birth and evolution of South African politics over the past four decades but also of the study of Political Science and International Relations in this country Fourteen political scientists contribute chapters to this volume situating the study of politics within its global context and recounting the development of politics as a field of study at South African universities The fourteen contributions evaluate the state of the discipline s and suggest conclusions that are surprising and in many instances unsettling not only with regards to what and how politics is taught but also how its study has variously gained and lost pertinence for South Africans understanding of their own polity as well as its place in the world The implications are uncomfortable and pose interesting challenges for South African scholarship pedagogy and national self reflection This book was published as a special issue of Politikon

South Africa's Political Crisis Alexander Beresford, 2016-01-26 South Africa s current political upheavals are the most

significant since the transition from apartheid Its powerful trade unions are playing a central role and the political direction they take will have huge significance for how we understand the role of labour movements in struggles for social justice in the twenty first century

A-Z of South African Politics Anton Harber, Barbara Ludman, 1995

The Politics of the New South Africa Heather Deegan, 2001 For undergraduate and taught masters courses on modern South Africa as part of a politics area studies development studies or combined social sciences degree This book provides an appraisal of critical moments in South Africa s history segregation and racial supremacy black opposition politics under apartheid and violence and terror The authors include up to date information such as the transfer of power in 1994 enfranchisement and political realignment the post electoral period of adjustment and socio economic transition the findings of the Truth and Reconciliation Commission and the 1999 elections

Political Science in South Africa Peter Vale, Pieter Fourie, 2016-01-13 In 2013 and in 2014 respectively the South African Association of Political Studies SAAPS and Politikon the South African Journal of Political Studies celebrate their 40th anniversary Also in April 2014 South Africa celebrates twenty years since the advent of the post Apartheid democracy and the birth of the rainbow nation This book provides a timely account of the birth and evolution of South African politics over the past four decades but also of the study of Political Science and International Relations in this country Fourteen political scientists contribute chapters to this volume situating the study of politics within its global context and recounting the development of politics as a field of study at South African universities The fourteen contributions evaluate the state of the discipline s and suggest conclusions that are surprising and in many instances unsettling not only with regards to what and how politics is taught but also how its study has variously gained and lost pertinence for South Africans understanding of their own polity as well as its place in the world The implications are uncomfortable and pose interesting challenges for South African scholarship pedagogy and national self reflection This book was published as a special issue of Politikon
