Soviet Civilization Between Past And Present:

Soviet Civilization Between Past and Present Mette Bryld, Erik Kulavig, 1998 The present anthology focuses on various aspects and manifestations of consciousness in particular of mass consciousness in the Soviet Union and post Soviet Russia with a detour to the new Lithuania Several of the authors have made profitable use of recently opened archives and discovered materials which by their efforts are now being made available for discursive recycling However whether based on archive documents or not re constructed fragments of cultural consciousness and social memory hovering between the past and the present make up the main bulk of this book For although the strange and multi layered phenomenon of Soviet civilization has for some time been on the retreat it will continue for a long while to provide the complex setting for the Russian and Baltic mentalities in transition
