## **Soviet Military Power 1986:**

**Soviet Military Power, 1986** Caspar W. Weinberger, 1986-03-01      **USSR Foreign Policies After Détente** Richard F. Staar, 2013-09-01 Based largely on primary sources in the Russian language this succinct volume cover the following aspects of Soviet foreign policy world outlook personalities and structures of the decisionmaking process implementation of objectives and a discussion of practices toward geographic regions as well as specific countries      **The USSR and Latin America** Eusebio Mujal-León, 2022-12-28 The USSR and Latin America 1989 is an authoritative analysis of the Soviet Union s strategy and policy towards the region The contributors cover a variety of topics including Latin America s place in Soviet strategy for the developing world US perceptions of Soviet strategy in the region Soviet Cuban relations and relations between Latin American communist parties and the USSR      **Soviet Ballistic Missile Defense and the Western Alliance** David Scott Yost, 1988 Yost suggests that the challenges for Western policy posed by Soviet ballistic missile defense BMD programs stem partly from Soviet military programs Soviet arms control policies and Soviet public diplomacy campaigns and partly from the West s own intra alliance disagreements and lack of consensus about Western security requirements      The Political Economy of Soviet Military Power Leo Cooper, 1989 A study of the political economy of Soviet military power examining Soviet Russian ideology and tradition theory and practice of the military doctrine the domestic aspect and new economic realism technology and efficiency and Perestroika and Glasnost from 1985 1987      *The Gulf And The West* Anthony H Cordesman, 2019-06-26 This book examines the military capabilities of various potential threats the capabilities of Saudi Arabia and other friendly Gulf states and the capabilities of Western power projection forces      **Western Strategic Interests in Saudi Arabia** Anthony Cordesman, 2020-07-26 Saudi Arabia s strategic relations with the West involve clear and direct common strategic interests in the Gulf and in the Near East While they compete in terms of trade and oil prices they share a common commitment to private enterprise and to maintaining a stable balance of world trade Saudi Arabia often differs with given Western states in terms of specific strategic interests and tactics but these differences are rarely significant enough to prevent close cooperation Even the differences over the Arab Israeli peace issue are largely ones of timing and tactics Saudi Arabia must preserve friendly relations with Syria and is vulnerable to attacks by Arab radicals and Iran It has also differed with the US over the specific approach that should be taken to achieving an Arab Israeli peace settlement but it has consistently pushed for a peace settlement within the Arab world This book first published in 1987 analyses the interrelations between Western and Saudi strategic concerns and argues forcibly that pressure from the Israeli lobby within US domestic politics must not be allowed to interfere within the proper provisioning of the Saudi armed forces especially the air force      **Soviet Military Power** Tom Gervasi, 1988 A Vintage original Verso t p      *Inadvertent Escalation* Barry R. Posen, 2014-01-13 In this sobering book Barry R Posen demonstrates how the interplay between conventional military operations and nuclear forces could in conflicts among states armed with both conventional and

nuclear weaponry inadvertently produce pressures for nuclear escalation Knowledge of these hidden pressures he believes may help some future decision maker avoid catastrophe Building a formidable argument that moves with cumulative force he details the way in which escalation could occur not by mindless accident or by deliberate preference for nuclear escalation but rather as a natural accompaniment of land naval or air warfare at the conventional level Posen bases his analysis on an empirical study of the east west military competition in Europe during the 1980s using a conceptual framework drawn from international relations theory organization theory and strategic theory The lessons of his book however go well beyond the east west competition Since his observations are relevant to all military competitions between states armed with both conventional and nuclear weaponry his book speaks to some of the problems that attend the proliferation of nuclear weapons in longstanding regional conflicts Optimism that small and medium nuclear powers can easily achieve stable nuclear balances is he believes unwarranted

**China's Defence Modernisation and Military Leadership** Ngok Lee,1989 American Foreign Policy ,1987 Gorbachev's Retreat Melvin A. Goodman,1991-06-30 In this fascinating inquiry into the Soviet retreat from the Third World Melvin A Goodman analyzes Gorbachev s policy from the standpoint of disillusionment with the Third World He cites among other reasons for the retreat the diminished strategic significance of the Third World to current Soviet leadership the limitations for Soviet power projection in distant areas and the dilemmas in Moscow s relations with Third World regimes Goodman contends that Gorbachev s foreign policy shift to achieve a more stable international arena and a less militant Soviet stance allowed Moscow to focus on its internal economic problems This volume provides the first exploration of Afghanistan as a watershed

in Soviet thinking on the Third World and discusses the current Soviet emphasis on conflict management and resolution in Third World states particularly Afghanistan Angola Ethiopia and Nicaragua Gorbachev's Retreat explains how cooperation with the United States improves Moscow's image in the West and tends to stabilize Third World flash points Up to the minute data on Soviet military and economic assistance to the Third World as well as Third World responses to the new Soviet policy are also presented The volume examines Soviet retrenchment and retreat in the Third World analyzes Gorbachev's decisions relative to Third World relationships zeroes in on the withdrawal from Afghanistan explores some of the reasons for Soviet power limitations and assesses the regional implications of Gorbachev's New Political Thinking Gorbachev's Retreat then looks at Soviet power projection and crisis management Soviet military and economic aid and Soviet retreat in the 1990s The volume will be particularly useful to undergraduate and graduate courses in foreign policy and international relations as a discussion of the impact of the new Soviet policy in the Third World and the consequences for U S Soviet relations Regional studies specialists will find its in depth analyses of the limits on Soviet actions in the Third World cogent and timely
