John Donovan,1974 [The Soviet Union and the Middle East](#) Middle East Institute (Washington, D.C.). Conference,1969
Russia's Middle East Policy Alexey Vasiliev,2018-03-19 This extraordinary book charts the development of Russia's relations with the Middle East from the 1950s to the present. It covers both high and low points: the closeness to Nasser's Egypt followed by reversal; the successful invasion of Afghanistan which later turned into a disaster; the changing relationship with Israel which was at some time surprisingly close; the relationship with Syria which continues to be of huge significance and much more. Written by one of Russia's leading Arabists who was himself involved in the formation and implementation of policy, the book is engagingly written, extremely insightful, telling us things which only the author is in a position to tell us and remarkably frank, not sparing senior Soviet and Russian figures from criticism. The book includes material based on the author's conversations with other leading participants. *The Soviet Union and the Middle East* Ronald De McLaurin, Mohammed Mughisuddin,1974 Russia has been interested in the Middle East intermittently for centuries but in the past this interest has focused on security considerations. Since the emergence of the Soviet Union as a great power and particularly since the beginnings of normal Soviet ties with some Arab states, the U.S.S.R. has viewed the Middle East as an area in which Soviet influence should be acknowledged and respected. Playing an active political, economic, military, and cultural role in the Middle East, the Soviet Union has sought to undermine Western power there with a view both to reducing the strategic threat to the U.S.S.R. from Iran, Turkey, and the Mediterranean and to increasing Soviet influence in world councils. [The Struggle for the Middle East](#) Walter Laqueur,2016-07-22 This book, first published in 1969, surveys Soviet policies and Middle Eastern responses during the turbulent 1960s. It deals with changing moods of Turkey and Iran, the Arab-Israeli conflict in the context of big power rivalry in the Middle East, the Russian naval presence in the Mediterranean, and the new Soviet interest in Gulf oil. The author also reviews the changing orientations of Middle Eastern communism in the new age of polycentrism. *The Soviet Union and the Middle East* Walter Z.
