

Space, time and resurrection

THOMAS F. TORRANCE

Space Time Resurrection

RM Cervero

Space Time Resurrection:

Space, Time and Resurrection Thomas F. Torrance, 2018-12-13 In this sequel to *Space Time and Incarnation* Thomas F. Torrance sets out the biblical approach to the Resurrection in terms of the intrinsic significance of the resurrected one Jesus and demonstrates that the Resurrection is entirely consistent with who Jesus was and what he did The Resurrection is thus taken realistically and treated as of the same nature in the integration of physical and spiritual existence as the death of Christ All this is elucidated in the context of modern scientific thought in such a way as to show that far from being frightened by modern science into a compromise of the New Testament's message of the Resurrection of Jesus Christ in body it actually allows us to take its full measure This classic volume from one of the premier English speaking theologians of the 20th century remains an important contribution to the field of systematic theology For this Cornerstones edition the preface is written by Paul D Molnar

Space, Time, and Resurrection Thomas Forsyth Torrance, 1976 The sequel to *Space Time and Incarnation* Professor Torrance attempts to set out the biblical approach to the Resurrection in terms of the intrinsic significance of the resurrected one Jesus and demonstrates that the Resurrection is entirely consistent with who Jesus was and what he did The Resurrection is thus taken realistically and treated as of the same nature in the integration of physical and spiritual existence as the death of Christ All this is elucidated in the context of modern scientific thought in such a way as to show that far from being frightened by modern science into a compromise of the NT message of the Resurrection of Jesus Christ in body it actually allows us to take its full measure

Space, Time and Resurrection Thomas F. Torrance, 2005-01 In an earlier work *Space Time and Incarnation* Torrance argued that the Incarnation is meaningless for us unless its relation with the actual structures of space and time can be clarified adequately This he did with special emphasis upon space This book is in part a sequel dealing with the Resurrection in relation to space and in particular time Torrance attempts to set out the biblical approach to the Resurrection in terms of the intrinsic significance of the resurrected one Jesus and demonstrates that the Resurrection is entirely consistent with who Jesus was and what he did The Resurrection is thus taken realistically and treated as of the same nature In the integration of physical and spiritual existence as the death of Christ But all this is elucidated in the context of modern scientific thought and questioning in such a way as to show that far from being frightened by modern science into a compromise of the New Testament message of the Resurrection of Jesus Christ in body it actually allows us to take its full measure

Space, Time and Resurrection Thomas F. Torrance,
Thomas F. Torrance's Theology of the Ascension Stavan Narendra John, 2025-05-29 The ascension is a crucial doctrine integrally related to the incarnation When it is underemphasized it results in an impoverishment of our theology of Christ the church human beings and eschatology T F Torrance's theology offers a compelling vision and holistic doctrine of the ascension that notwithstanding its flaws deserves a careful and detailed examination Torrance develops a holistic account of the ascension by considering the ontology spatiality and present ministry of the ascended Jesus What results is a theological

construction that affirms the ascended body of Christ and understands the Lord to be currently serving as our human representative in a ministry of priestly intercession prophetic declaration and ascended kingship Torrance is able to do this without succumbing to literalism space travel demythologization metaphorical reading or Pelagianism human effort based sanctification and glorification This book interprets and then develops Torrance's theology of the ascension in critical dialogue with contemporary theological interlocutors The Book of Mormon, 1877 **Divine Freedom and the Doctrine of the Immanent Trinity** Paul D. Molnar, 2002 This is an essay in Christian dogmatics of a high order learned intellectually powerful and spiritually engaged it deserves to be widely read and discussed John Webster Lady Margaret Professor of Divinity University of Oxford The Expository Times, 1898 **Jesus Christ, Unique and Universal** Jose Kuttanimattathil, 1990 **The golden bible** Martin Thomas Lamb, 1887 *The Expository Times* James Hastings, Ann Wilson Hastings, Edward Hastings, 1930 The Mormons and Their Bible Martin Thomas Lamb, 1903 The Improvement Era, 1900 The Book of Mormon Orson Pratt, 1881 **The Bible Now!** Joseph A. Grispino, 1971 *True Latter-Day Saints' Herald*, 1902 The family magazine of the Reorganized Church of Jesus Christ of Latter Day Saints The Hibbert Journal Lawrence Pearsall Jacks, George Dawes Hicks, 1925 A quarterly review of religion theology and philosophy *The Book of Mormons*, 1907 "Time's Silent Stealth--" F. Smith Fussner, 1994 Philosophy love and the meaning of tragedy define this unique tribute to a remarkable and beautiful woman It is at once the story of a love affair an original interpretation of the meaning of tragedy in history and in the personal present a philosophical inquiry into some of the great often unanswerable questions of science and religion what reasons may we have to wager that some form of life may continue after death and a series of reflections on the power of love and on the power of symbols in art science and literature to shape our lives *Christian Eschatology and the Physical Universe* David Wilkinson, 2010-07-29 Does matter matter The scientific picture of the end of the physical Universe has undergone dramatic changes since the turn of the 21st century with its future characterized by accelerated expansion and futility Yet Christian theology has been largely silent on this despite the interest in eschatology in popular culture and in theology itself What can Christian theology learn from and contribute to the scientific picture of the future of the Universe Can the biblical narratives of creation and new creation have a fruitful dialogue with scientific discoveries David Wilkinson shows what a fruitful dialogue this can be Critiquing the folk eschatology of the Left Behind series the misguided faith of the scientific optimists and the lack of scientific engagement of the theologians of hope Wilkinson argues for a rediscovery of the theological theme of new creation and the centrality of bodily resurrection

Thank you unquestionably much for downloading **Space Time Resurrection**. Most likely you have knowledge that, people have seen numerous times for their favorite books subsequent to this Space Time Resurrection, but end in the works in harmful downloads.

Rather than enjoying a good PDF similar to a mug of coffee in the afternoon, then again they juggled in the manner of some harmful virus inside their computer. **Space Time Resurrection** is open in our digital library an online entrance to it is set as public thus you can download it instantly. Our digital library saves in multiple countries, allowing you to get the most less latency times to download any of our books next this one.
