Prepare to Be Mentored by the Sacred Hags The yearning to slow down and simplify return to the earth and maybe even rewild what has been tamed in ourselves persists even though that dream may seem ever more remote in contemporary life Danielle Dulsky shows that even in our high tech and high pressure lives it is possible to manifest your own year of the wild and to tap into often forgotten holy wisdom Seasons of Moon and Flame guides you to live cyclically while working with the archetype of the Sacred Hag or wild grandmother who appears in various guises Wonderfully inclusive with adaptations for families spiritual groups and other traditions this book is a potentially life changing guide to living mystically magically and in empowering harmony with the worlds of spirit and nature

Knowledge of plant names can give insight into largely forgotten beliefs For example the common red poppy is known as Blind Man due to an old superstitious belief that if the poppy were put to the eyes it would cause blindness Many plant names derived from superstition folk lore or primal beliefs Other names are purely descriptive and can serve to explain the meaning of the botanical name For example Beauty Berry is the name given to the American shrub that belongs to the genus *Callicarpa* *Callicarpa* is Greek for beautiful fruit Still other names come from literary sources providing rich detail of the transmission of words through the ages Conceived as part of the author's wider interest in plant and tree lore and ethnobotanical studies this fully revised edition of Elsevier's Dictionary of Plant Names and Their Origins contains over 30 000 vernacular and literary English names of plants Wild and cultivated plants alike are identified by the botanical name Further detail provides a brief account of the meaning of the name and detailed commentary on common usage Includes color images Inclusive of all Latin terms with vernacular derivatives The most comprehensive guide for plant scientists linguists botanists and historians *A Branch from the Lightning Tree* Martin
