The Legacy Leader:

The Legacy Leader Anthony Lopez,2003-06 Even now I can recognize a Saturday Road I might be driving alone down the too familiar street on which I live or on a highway hundreds of miles away from home never thinking of a Saturday Road Without expecting it I will be surprised to find one staring at me through the windshield I ll notice the singing of the tires on the asphalt and the endless gray ahead of me will unexpectedly become silver ribbon sparkling shimmering and beckoning to me in the sunlight Houses and flowers by the side of the road will seem to come alive with color sharp and clear I ll come over the crest of a hill and I can see forever the world spread out before I ll get that familiar fluttery feeling inside Perhaps I ll press the accelerator harder for just a moment Then I ll slow it down again I want this to last I ll be aware of every nickel and dime in my pocket I ll start to hum a happy little tune around the works Saturday Road going to town I envision variety store counters with interesting things on them That s my Saturday Road the road to Oz Shangri La and the end of the rainbow This magic road was the most intricate and exciting fantasy I ever devised as a child It meant going to town where the change in my pockets would buy me an assortment of hair bows little tea sets or tiny celluloid dolls and ceramic what knots to add to my collection Or it could mean that I was on my way by bus or train back to the foothills or northeast Alabama for a visit to the beloved place where I was born Most of all the Saturday Road was my escape from the economic poverty in which we lived during the early nineteen forties on the heels of what my parents called The Great Depression The Saturday Road was a state of mind I looked for it everywhere I went and I invariably found it

A Leader's Legacy James M. Kouzes, Barry Z. Posner, 2008-12-22. Uncover the latest developments in leadership development and coaching with insights from two of the most respected voices on the subject. In this provocative book, leadership experts and authors of the best-selling *The Leadership Challenge*, Jim Kouzes and Barry Posner take on a unique challenge and explore questions of leadership and legacy. In 22 stand-alone chapters, Kouzes and Posner examine the critical questions all leaders must ask themselves before they can leave a lasting impact. These powerful essays are grouped into four categories: Significance, Relationships, Aspirations, and Courage. In each essay, the authors consider a thorny and often ambiguous issue with which today's leaders must grapple, such as how leaders serve and sacrifice, why leaders need loving critics, why leaders should want to be liked, why leaders can't take trust for granted, why it's not just the leader's vision that matters, why failure is always an option, why it takes courage to make a life, how to liberate the leader in everyone, and ultimately how the legacy you leave is the life you lead. In the book, you'll find a free-flowing discussion of leadership topics and lessons, incisive explorations of ambiguous issues and paradoxes that have bedeviled leaders for generations, concise and to the point essays representing new approaches to familiar themes, new stories, and new experiences. *A Leader's Legacy* is an indispensable resource for managers, executives, and other business leaders looking for insightful new ways to push their leadership development further than they ever thought possible.

The Christian Leader, 1926 **The Legacy of Rome**
Cyril Bailey, 1923. This book is an endeavour to trace in many fields the extent of the inheritance which the modern world owes to Ancient Rome. The chapters have been written independently and it will be seen that they are not all on the same plan. Some writers have described the contribution of Rome to civilization and have left it to the reader to infer the extent of the legacy; others have traced the steps by which the legacy has come to us, and to this subject Professor Foligno has devoted a valuable chapter.
