The Legacy Of Absence:

The Legacy of Absence Tim Olson, 2022 *The Legacy of Absence* Tim Olson, 2020-02-28 Imagine a son or daughter who realizes dad has chosen work sports or other addictions instead of them This is abandonment and the consequences will leave a negative life long legacy But there is a solution It s not an easy road but it s not impassable *The Legacy of Absence* explores the ways in which involvement and reconciliation can heal the wounds created by a distant father and turn even a physically absent father into one who is involved with all aspects of his child s life Author Tim Olson has spent 53 years as a teacher principal pastor and life coach studying observing and researching family relationships and father child dynamics He will help readers discover the sources of anger not just how to manage it the 4 types of fathers how a home without an involved father typically results in poorer education health financial security and many more affecting the spouse and children that real masculinity is not what society says it is how good or bad fathering is learned primarily by observing our own fathers what the father wound is and how everyone who has a father gets it the sources of identity transference and misogyny An uninvolved father may not have chosen his child but it is never too late for change *The Legacy of Absence* can help
