## **The Lights Go On Again:**

*When the Lights Go On Again* Margaret Walters, Mark Walters, 2010-10 Elaine West is a young girl growing up in Fresno California in the wake of the Great Depression While her family like all families of the time has struggled to make ends meet over the past few years her life is generally happy and free from worry Free that is until the attack on Hawaii s Pearl Harbor plunges the United States suddenly and unexpectedly into a global war Now the only thing standing between the enemy and Elaine s home city of Fresno California is less than two hundred miles and a vast unprotected open sea Written in the tradition of Johnny Tremain and Across Five Aprils *When the Lights Go On Again* takes you back to California in the 1940s depicting everyday life and the war that shaped it Be there with Elaine as she grows up during the most destructive conflict the world has ever seen See the lives of the people of Fresno during those dark years blackout drills shortages food and gasoline rationing Meet the young men from throughout the nation who came through Fresno headed for the battlefields of the Pacific Witness a nation of immigrants harass and imprison their Japanese neighbors casting their humanity aside amid the terrifying realities of war Learn as Elaine did of such horrors as the Bataan Death March and the Holocaust Watch the dawn of the atomic age See all of this and more through the eyes of a young girl who is quickly becoming a young woman as she tries desperately to make sense of it all

*WHEN THE LIGHTS GO ON AGAIN* Michael Burt, 2019-10-22 This book tells the story of life during WW2 in and around Cowfold largely through the memories of eleven children with ages ranging from under five to teenager There are no stories here of bloodshed death and destruction Instead this is a story of making do with often very little of life in the village under the restrictions of blackout and rationing of childish wide eyed excitement at watching aerial combat and of rushing to the site of a crashed bomber or fighter in the hope of picking up souvenirs There are stories of fear at hearing the night time throbbing engine of German bombers or bombs and incendiaries exploding in the area and later of the dreaded Doodlebug This was the villagers front line the Home Front where achieving victory in farming the fields or responding to the Dig for victory campaign or just keeping calm and carrying on was no less important to the ultimate victory than the battles fought on land in the air and at sea The children played their part in this Home Front victory accepting the hardships and contributing to the war effort by helping with fund raising or collecting wild fruit for processing or helping with the harvests This book is a tribute to all those children and adults of Cowfold who endured six years of hardship shortages separation from fathers husbands sons and brothers and sisters and fear and yet who persevered and ultimately prevailed
