Uncertainty And Control Future Soviet And American Strategy:

Uncertainty and Control Stephen J. Cimbala,1990 **Negotiating START** Kerry M. Kartchner, The United States and the Soviet Union have been negotiating nuclear arms control agreements for over twenty years yet radical differences remain in the two sides concept of and approaches to strategic stability and arms control This book compares and contrasts those approaches using START Strategic Arms Reduction Treaty as a case study Throughout two decades of negotiation U S policy has been directed toward dialogue that would encourage convergence of American and Soviet thought on nuclear deterrence In Kartchner s view that hope is belied not only by continuing asymmetries in the development and deployment of their strategic nuclear arsenals but by differing U S and Soviet negotiating positions The Reagan administration viewed START as a means of repudiating SALT II restoring a measure of balance in the U S Soviet strategic competition and as a way of closing the so called window of vulnerability In contrast Kartchner analyzes the Soviets differing views of nuclear balance emphasizing their satisfaction with SALT II and a strategic equilibrium shaped by a decade of bilateral arms control Kartchner offers a detailed exposition of the major negotiating issues in START contrasting concerns of U S and Soviet negotiators Not surprisingly each side s agenda was dominated by weapon systems that figure prominently in the other s development program The author concludes by summarizing and comparing American and Soviet quests for stability and drawing up an assessment of U S efforts in both SALT and START to use arms control negotiations as a kind of classroom for instructing Soviet officials in American notions of stabilizing versus destabilizing weapon technology and America s own ethnocentric view of stability START will profoundly affect the acquisition operation maintenance and cost of U S strategic nuclear forces well into the next century The history and analysis presented here will provide an essential source to policymakers and students of military political relations for much needed further study of this treaty s implications

Astropolitik Everett C. Dolman,2005-07-15 This volume identifies and evaluates the relationship between outer space geography and geographic position astrogeography and the evolution of current and future military space strategy In doing so it explores five primary propositions Rethinking national security Frances Scott,1990 **Soviet Studies Guide** Tania Konn,1992 Critical bibliographic references to core literature on land environment and people Soviet history society and culture government and politics international relations armed forces economy business science and technology and general reference **Soviet Armed Forces Review Annual** ,1990 **American Defense Annual, 1991-1992** Joseph J. Krusel,1991-12 **USSR Facts & Figures Annual** ,1991 *Russia and Eurasia Armed Forces Review Annual* ,1990

ICSSR Journal of Abstracts and Reviews Indian Council of Social Science Research,1992 **Sage Public Administration Abstracts** ,1990 **Arms Control Today** ,1990 The Cumulative Book Index ,1991 A world list of books in the English language **Win, Lose Or Draw** Allan C. Stam,1993 **The Nuclear Present** Grant Burns,1992 thorough and complete well written annotations recommended to libraries at all levels CHOICE An exceptionally thorough

guide JOURNAL OF AMERICAN HISTORY *Current Publications in Legal and Related Fields* ,1991 Disarmament ,1989
