Dennis, 2001-10 Uncle Stephen (Valancourt 20th Century Classics) Forrest Reid, 2014-11-18 An exquisite book E M Forster No other novelist of today can recapture more clearly than Mr Reid the sense of early wonder and adventurous childhood The Times An altogether remarkable book Glasgow Herald Left in the care of his unloving stepmother after his father s death sixteen year old Tom Barber has a vivid dream one night in which he sees his Uncle Stephen whom he has never met and who is rumoured to have been mixed up in scandal and the practice of black magic Unhappy at home and not knowing what to expect when he arrives at Uncle Stephen s manor house Tom runs away hoping to live with his uncle In his depiction of Tom s initiation into Uncle Stephen s mystic creed his illicit love for the poacher Jim Deverell and his adventures with Philip a mysterious boy with a strange and fantastic connection to Uncle Stephen s past and Tom s future Forrest Reid s artistic vision finds its fullest expression The first in Reid s Tom Barber trilogy Uncle Stephen 1931 is both a tale of boyhood adventure in the tradition of Mark Twain and a story of the supernatural in the vein of Sheridan Le Fanu and Walter de la Mare This new edition of the book E M Forster considered Reid s masterpiece features a new introduction by Andrew Doyle along with never before published photographs and archival materials **Between Gorillas** Edwin Sabuhoro, 2023-06-16 About the Book This book is about a life I have lived as a refugee a painful yet joyful life It s about my parents struggle in exile their struggle to live and stay alive It s about the savage killings of Tutsis in 1959 and the 1994 Genocide against Tutsi but it s also about the triumphs that we endured as a family It s a book about my mother and her love hope faith and forgiveness It s a testament to the resilience of a refugee child and a family going through so much yet always remaining hopeful It s a book about a stranger s patience empathy and generosity and about the gift of life and what it has taught me

endurance courage persistence and a belief in my dreams as they have become big dreams It is a book about my wounds and scars and how they remind me of a future yet unknown Over the years I have walked through my share of thorny muddy lands Blades of grass have cut my feet and my tender heels have been drilled into by nasty critters I ve faced more than my portion of cruel and evil spirited human intent on breaking me down To forgive all that tried its best to cut me down chew me up and spit me out I ve learned to forgive For me forgiveness has become the most unique and beautiful part of me as my learned compassion always reminds me of how my past has influenced me to embrace my future To become entangled in the negative of the past would have only slowed me down and left me bitter I do not want nor do I need either For I am a warrior who will charge forward and leave my mark on this land we call home I will not tire tarry nor will I falter Nothing negative will slow me down I embrace my constant search for love and hope and keep my faith close while I continue to forgive a noisy and thorny world In the end I chose the light of day rather than the darkness of night Love hope faith and forgiveness are the paths of virtue I choose to walk About the Author Edwin Sabuhoro Ph D is an Assistant Professor of Recreation Park and Tourism Management and African Studies at Pennsylvania State University He lives in State College Pennsylvania He works with local communities in the Virunga Mountains home to endangered Mountain Gorillas Over the past fifteen years Edwin has established integrated conservation and community development programs that have addressed the challenges of indigenous communities promoted socio economic development and led to improved conservation outcomes for mountain gorillas and their habitats His efforts have been recognized through numerous awards including the International Union for Conservation of Nature IUCN 2008 Young Conservationist of the Year Award the 2015 UN GRASP Ian Redmond Conservation Award in 2015 and the 2016 eAchievement Award among others He was selected and invited by President Obama to participate in the 2010 Young African Leaders Forum in Washington D C His work with Mountain Gorillas and indigenous people was featured on the 2015 CNN African Voices and he was recognized among the 2015 CNN Heroes
