Uncoiling The Serpent:

Uncoiling the Serpent John Lawrence Maerz,2024-12-16 Uncoiling the Serpent was written to produce a practical understanding of the unfolding of our human awareness It follows the cascading process of collapsing the perception of our human separateness that veils our most important spiritual growth We can then build a solid awareness at each chakra to experience the secrets and benefits of each as we dissolve the polarized and tangible foundations that have propelled our arrival there Uncoiling the Serpent describes common sense understanding and practices that will allow our Kundalini to rise within us It has been a long time coming where we can see how our social programming has trapped us in a myopic bondage of the tangible world No angels No shamans No gurus Just plain down to earth thinking aligning our lower mind with what must be done to raise the Kundalini

The Serpent's Tale Sravana Borkataky-Varma, Anya Foxen,2025-09-30 There is a standard narrative that recurs throughout popular writings on yoga and tantra from South Asian texts to Western esoteric thought Ku alin is the Serpent Power She rests coiled at the base of the spine If awakened this divine feminine energy rises toward the crown of the head Some are apprehensive of Ku alin s intense power fearing physical and psychological turmoil Others seek it out hungry for experiences both spiritual and sensual But what does this story leave out What are its cultural and historical roots What do the many ways of experiencing Ku alin tell us about this elusive phenomenon The Serpent s Tale traces the intricate global histories of Ku alin from its Sanskrit origins to its popularity in the West Sravana Borkataky Varma and Anya Foxen explore its symbolic link with the serpent its fraught connections to sexuality and its commercialization in the form of Ku alin yoga Ranging from esoteric texts to global gurus from the cliffs of California to the charnel grounds of Assam they show that there has never been one single authentic model of Ku alin but a multiplicity of visions Bridging the gaps between textual and historical analysis and the complexities of embodied practice Borkataky Varma and Foxen reflect on the narration and transmission of experiences including their own Lively accessible and nuanced The Serpent s Tale offers rich insights for scholars practitioners and all readers drawn to Ku alin
