William Blake Raymond Lister,1970 The Mysticism of William Blake Helen Constance White,1927 *William Blake - Songs of Innocence and of Experience* Sarah Haggarty,Jon A Mee,2013-11-28 Songs of Innocence and of Experience 1794 is William Blake s best known work containing such familiar poems as London Sick Rose and The Tyger Evolving over the author s lifetime the collection was printed by Blake himself on his own press This Reader s Guide Explains the unique development of Songs as an illuminated book Considers the earliest reactions to the text during Blake s lifetime and his gathering posthumous reputation in the nineteenth century Explores modern critical approaches and recent debates Discusses key topics that have been of abiding interest to critics including the relationship between text and image in Blake s composite art Insightful and stimulating this introductory guide is an invaluable resource for anyone who is seeking to navigate their way through the mass of criticism surrounding Blake s most widely studied work **English Poetry and Prose of the Romantic Movement** George Benjamin Woods,1916 **The Prophetic Writings of William Blake** William Blake,1926 The Prophetic Writings of William Blake, in Two Volumes William Blake,1926 **A Critical History of English Poetry** Herbert Grierson,J. C. Smith,2014-01-13 This famous work was the result of the wartime collaboration of two Scottish scholars Their tracing of the course of English poetry has been described by The Times Literary Supplement as a volume of masterly compression They deliberately spend most time on the greatest poets believing that significant as traditions and influences are the great poet himself affects the spirit of his age and moulds the tradition he has inherited At the same time enough attention is paid to minor poets to make the book historically complete and to fill in the most important links in the chain of poetic development Thus Gower is here as well as Chaucer Patmore as well as Browning Both in scope and in detail A Critical History of English Poetry is a distinguished and valuable work *British Writers: Thomas Middleton to George Farquhar* British Council,1980 This collection of critical essays covers hundreds of writers who have made significant contributions to British Irish and Commonwealth literature from the 14th century to the present day The contributors analyze many individual works and engage the reader with their distinctive themes and stylistic Introductory essays and chronological tables open each volume and provide historical background **Anthology of Romanticism: Guide through the romantic movement.- v.2. Selections from the pre-romantic movement.- v.3. Blake, Coleridge, Wordsworth, Lamb and Hazlitt.- v.4. Scott, Southey, Campbell, Landor, Moore, and Byron.- v.5. Keats, Shelley, Leigh Hunt, De Quincey and Carlyle** Ernest Bernbaum,1930 *Advice to young men, and, incidentally, to young women, in the middle and higher ranks of life, in a series of letters. With notes* William Cobbett,1906 **William Blake's Comic Vision** N. Rawlinson,2002-11-05 Blake s comic brilliance has been variously dismissed as the nervous ramblings of a neglected genius the tomfool doodles of a distracted youngster or a crude tool for destabilizing textual authority But for the eighteenth century comedy played a pivotal role in debates on aesthetics education spirituality and morality This exciting

new study blends a close reading of Blake's early work with fascinating historical research to demonstrate that the comic was an essential component of Blake's artistic vision. *University of Wisconsin Studies in Language and Literature*, 1927
