William Shakespeare An Introduction To His Life:

William Shakespeare Ribner,1969-06-01 **Who Was William Shakespeare?** Dymrna Callaghan,2012-10-18 A new study of Shakespeare s life and times which illuminates our understanding and appreciation of his works Combines an accessible fully historicised treatment of both the life and the plays suited to both undergraduate and popular audiences Looks at 24 of the most significant plays and the sonnets through the lens of various aspects of Shakespeare s life and historical environment Addresses four of the most significant issues that shaped Shakespeare s career education religion social status and theatre Examines theatre as an institution and the literary environment of early modern London Explains and dispatches conspiracy theories about authorship **The Cambridge Introduction to Shakespeare's Poetry** Michael Schoenfeldt,2010-10-07 Shakespeare s poems aside from the enduring appeal of the Sonnets are much less familiar today than his plays despite being enormously popular in his lifetime This Introduction celebrates the achievement of Shakespeare as a poet providing students with ways of understanding and enjoying his remarkable poems It honours the aesthetic and intellectual complexity of the poems without making them seem unapproachably complicated outlining their exquisite pleasures and absorbing enigmas Schoenfeldt suggests that today s readers are better able to analyze aspects of the poems that were formerly ignored or the source of scandal the articulation of a fervent same sex love for example or the incipient racism inherent in a hierarchy of light and dark By engaging closely with Shakespeare s major poems Venus and Adonis Lucrece The Phoenix and the Turtle the Sonnets and A Lover s Complaint the Introduction demonstrates how much these extraordinary poems still have to say to us The Complete Works of William Shakespeare William Shakespeare,1881
