Winchester Virginia

**Winchester, Virginia, Historical
Society**

Winchester Virginia:

The Story of Winchester in Virginia Frederic Morton, 2009-05-01 Winchester was the capital of the Northern Neck of VA for almost 40 years headquarters for George Washington during his military apprenticeship the earliest county seat in the Appalachian region a center of trade in the pre railroad era and the gateway

Stonewall Jackson and Winchester, Virginia Jerry Holsworth, 2012-05-15 This book deals with Stonewall Jackson and his relationship with the town of Winchester Virginia and will cover the period beginning in June 1861 and end with his death in May 1863 Many accounts of Jackson s life describe him as peculiar both in his habits and in his religious beliefs For most Americans particularly today those character traits are somewhat strange But to the people of Winchester Virginia during the 1860s they were neither strange nor peculiar because they represented the beliefs of the vast majority of the people of the Shenandoah Valley This plus his spectacular successes on the battlefield in the Shenandoah Valley endeared the people of Winchester to Jackson in a way that no other personality ever did and that includes a 10 year stay in the town by George Washington

Winchester, Virginia, and Its Beginnings, 1743-1814 Katherine Glass Greene, 1926 From its founding by Colonel James Wood to the close of the life of his son Brigadier Gen Gov James Wood w publication for the 1st time of valuable manuscripts relics of their long tenure of public offices V g Annual Reports of Officers, Boards and Institutions of the Commonwealth of Virginia ... Virginia, 1896

Beleaguered Winchester Richard R. Duncan, 2007-06 During the Civil War the strategically located town of Winchester Virginia suffered from the constant turmoil of military campaigning perhaps more than any other town Occupied dozens of times by alternating Union and Confederate forces Winchester suffered through three major battles including some seventy smaller skirmishes In his voluminous community study of the town over the course of four tumultuous years Richard R Duncan shows that in many ways Winchester s history provides a paradigm of the changing nature of the war Indeed Duncan reveals how the town offers a microcosm of the war slavery collapsed women assumed control in the absence of men and civilians vied for authority alongside an assortment of revolving military commanders Control over Winchester was vital for both the North and the South Confederates used it as a base to strike the Baltimore and Ohio Railroad and conduct raids into western Maryland and Pennsylvania and when Federal forces occupied the town they threatened Staunton Lee s breadbasket and the Virginia Central Railroad At various times during the war generals Stonewall Jackson Nathaniel Banks Robert Milroy Richard Ewell Jubal Early and Philip Sheridan each controlled the town Guerrilla activity further compounded the region s strife as insecurity became the norm for its civilian population In this first scholarly treatment of occupied Winchester Duncan has compiled a narrative of voices from the entire community including those of groups often omitted from such studies such as slaves women and Confederate dissenters He shows how Federal occupation meant an early end to slavery in Winchester and how the paucity of men left women to serve as the major cohesive force in the community making them a bulwark of Confederate support He also explores the tensions between civilians and military

personnel that inevitably arose as each group sought to protect its interests The war Duncan explains left Winchester a landscape of wreckage and economic loss A fascinating case study of civilian survival amid the turmoil of war Beleaguered Winchester will appeal to Civil War scholars and enthusiasts alike
