Window To Eternity:

A Window on Eternity Jess Gjerstad,2024-08-26 Is this life all that there is or there an existence after our natural life on earth is finished Within the heart of every person is the desire for eternal glory comfort and joy God has put eternity in the hearts of every man woman and child but who can truly grasp this What does the Bible say on this subject How does the Bible s description of eternity impact our lives today In this book author Jess Gjerstad gives a concise introduction to what the Bible says about eternity **A Window to Eternity** ,1985 **The Light in the Dark** PJ McAdams,2020-07-08 In the fast moving pace of the world in which we now live oftentimes we find ourselves overwhelmed with troubles trials sorrow and grief A feeling of desperation to overcome these situations can lead us in the wrong direction We all have experienced or seen that the world can be a cold cruel place and if we are trying to make it on our own we are destined to fail The Light in the Dark is a heartfelt soul wrenching collection of poetry filled with hope love a promise for eternity sublime and the poignancy of the pain and detrimental effects that can be inflicted by society These poems touch on a vast array of emotions situations and environmental conditions that can easily influence lives and their outcomes Some are based on personal experiences some on personal observations Each poem while bringing to point the harsh dark realities we are all faced with consistently brings to light the answer for all our conflicts and turmoil all our debilitating pain grief and sorrow all our struggles and battles all our triumphs and failures yes all our needs Indeed the answer to all things is Jesus Christ our Lord the Conqueror of conflict counselor of confusion Creator of all things the Prince of Peace the way maker regardless of your situation **A Window in Eternity** Anderson Christeen L.,2001-05-01 **The Angel in Annunciation and Synchronicity** Tammy L. Montgomery,2013-02-21 Fear grips those who doubt that their existence has meaning and the prevailing notion that humans are situated on a dot in the middle of a dark cold universe leaves people shivering in cosmic insignificance Many would argue that science and technology have separated individuals from God while others would say that people have lost their faith and some would assert that God is dead Many simply do not know what to believe Today s self help industry is a testament to the search for meaning in an age of uncertainty and faltering religious structures The truth is that technology and science now answer many of the questions that used to be left to God This development has confounded people s ability to integrate what is known today with what was once thought The disparity between past and present beliefs may be observed in the concept of the angel There are many who claim that any lingering belief in angels is merely the residue of imaginary or wishful thinking and there are others who hold that angels wings halos and harps literally exist How is one to reconcile such contradictory beliefs C G Jung s theory of synchronicity meaningful coincidence provides a vehicle for the exploration and possible reconciliation of such questions Rather than echoing the skeptic who says angels cannot exist or the religious enthusiast who affirms their immanence one might reframe the entire discussion Like the biblical concept of annunciation in which an angel delivers a heavenly message to an earthly individual synchronicity defines

the moment at which the eternal touches the temporal **At Eternity's Shore** Richard Murray,1912 **Eternity's End** Jeffrey A.
