*Native American Legends An Anthology of Creation Myths and Origin Tales* G.W. Mullins, 2020-05-26 Native American Mythology began long before the European settlers arrived on North American soil The most popular of these myths usually are the ones dealing with Creation and Origins of people places and things These myths deal with both how the physical world as we know it came to be and how the many features of specific cultures originated They cover areas of gods and man and why we were separated where did the different races come from and when did evil surface Being there were so many different tribes with countless beliefs and customs the only way to understand these beliefs is through understanding the Native American stories In this book there is a wide landscape of different tribes that present a true look at these beliefs Among the stories included in this anthology are Creation of the First Indians Creation of the Red and White Races In the Beginning How the Great Chiefs Made the Moon and the Sun Origin of Fire The First Moccasins The Origin of Game and of Corn The Origin of Medicine The Origin of Summer and Winter Origin of the Animals Origin of the Buffalo Origin of the Clans Origin of the Sweat Lodge The Origin of the Winds The Origin of Yosemite The Origin of Earth Origin of the Lakota Peace Pipe How the World Was Made The First Fire Origin of the Pleiades And the Pine and many more

Mullins, 2018-02-12 Before the time of books computers tablets and recording devices the history of many cultures was passed down from person to person by word of mouth The rich histories of so many people were told in songs chants poems and stories This was and still is the way of Native American tribes Each in its own way enriching their stories with their own experiences By exploring these stories you will be offered you a glimpse into an often forgotten past By reliving these stories and songs we have the opportunity to bring life back to the ancient spirits that created them We have a chance to walk with the spirits of the past These stories were passed from one generation to the next And now these stories are given to you to carry forward for younger generations to explore and learn The mythology of North America is a cultural treasure house but many of these myths and legends are hidden away in various old and rare books It would be difficult for the average person to track down and collect this material because the rarity of some of these books makes them hard to acquire So this vast body of wisdom lies out of reach of most people until now Included in this anthology are over 100 stories in the categories of Star People Animal Tales People Tales War Tales Origin Tales and Ghost Tales Among the stories collected are Origin of the Sweat Lodge The Story of Po a The Story of the Land of Northern Lights Tale of the Lazy Boys Who Became the Pleiades The Moon and the Thunders The Two War Gods and the Two Maidens The First War A Widow s Revenge A War Between the Alabama And the Choctaw The Death of Head Chief and Young Mule Two War Trails Escape of The Seneca Boys The End of The First World Mistakes of Old Man Iktomi s Blanket Iktomi and the Muskrat Beaver Medicine The Badger and the Bear The Tree Bound The Simpleton s Wisdom Crossing the Red Sea Wakiash and the First Totem Pole The Dogs of the Chief s Son The Orphan Boy Captured by the Bad Thunderbirds Godasiyo the Woman Chief Lodge Boy and Thrown Away s Father Blue Corn Maiden and the Coming of Winter The Beginning of Newness The Origin of the Society of Rattlesnakes Origin of the Raven and the Macaw How Glooskap Found the Summer Raven s Great Adventure How Raven Lost His Beak Apache Creation Story How the Old Man Made People Origin of the Medicine Man When the Animals and Birds Were Created

Mullins,2018-02-06 Native Americans did not write down or record their history so we have to find out about their past in other ways They used games myths dance and impersonation to teach the children of their history and ways of life Their storytelling was filled with family heritage and stories of the earth It is through storytelling that the rich history of the Native American tribes is alive and well today It has been shared and preserved and still pays tribute to fallen heroes of the past It is through these glimpses into the past and these stories much like the ones that are contained in this book that you can see what a proud heritage they possess and how in tune with the Earth Native Americans really are Included in this collection are The Story of the Land of Northern Lights The Legend of the Bear Family The Origin of Summer and Winter The Story of the Buffalo painted Lodges The Story of the Camp of the Ghosts Creation of the First Indians The Story of the Little Burnt Face Origin of the Sweat Lodge Rabbit and the Moon Man Ghost of the White Deer Unktomi and the Arrowheads The Story of the First Pine Trees Raven and His Grandmother The Story of the Snow Man The Origin of Medicine and many more *Mingo, and Other Sketches in Black and White* Joel Chandler Harris,1884
