Miriam Therese Winter,1995-01      Womansong Audio ,1995-01-01      **Anthology of Ancient Medieval Woman's Song A.**

Klinck,2004-04-16 This collection focuses on a woman's point of view in love poetry and juxtaposes poems by women and poems about women to raise questions about how femininity is constructed Although most medieval woman's songs are either anonymous or male authored lyrics in a popular style the term can usefully be expanded to cover poetry composed by women and poetry that is aristocratic or learned rather than popular Poetry from ancient Greece and Rome that resonates with the medieval poems is also included here Readers will find a range of voices often echoing similar themes as women rejoice or lament praise or condemn plead or curse speak in jest or in earnest to men and to each other about love

**Medieval Woman's Song** Anne L. Klinck,Ann Marie Rasmussen,2015-08-06 The number of surviving medieval secular poems attributed to named female authors is small some of the best known being those of the troubairitz the female troubadours of southern France However there is a large body of poetry that constructs a particular textual femininity through the use of the female voice Some of these poems are by men and a few by women including the troubairitz many are anonymous and often the gender of the poet is unresolvable A woman's song in this sense can be defined as a female voice poem on the subject of love typically characterized by simple language sexual candor and apparent artlessness The chapters in *Medieval Woman's Song* bring together scholars in a range of disciplines to examine how both men and women contributed to this art form Without eschewing consideration of authorship the collection deliberately overturns the long standing scholarly practice of treating as separate and distinct entities female voice lyrics composed by men and those composed by women What is at stake here is less the voice of women themselves than its cultural and generic construction

*Legalizing Misandry* Paul Nathanson,Katherine K. Young,2009-07-15 Paul Nathanson and Katherine Young believe that this reveals a shift in the United States and Canada to a worldview based on ideological feminism which presents all issues from the point of view of women and in the process explicitly or implicitly attacks men as a class They argue that ideological feminism is silently reshaping law public policy education and journalism      Feminist Collections ,1998      Woman Song

Jean Goulbourne,2002 Writing with the directness of the reggae lyric Goulbourne articulates the griefs hopes and unquenchable spirit of black women *Woman Song* reveals a constant faith in woman's creativity both in their everyday lives and in artistic expression      **A Collection of Letters** George Warren Hootman,1909      *IAWM Journal* International
