Sorcerers Keeper:

Sorcerer's World Jim Gantz,2002-05-20 There is no available information at this time **A Sorcerer's Treason** Sarah Zettel,2012-05-01 1899 Sand Island Wisconsin Bridget Lederle resides in the lighthouse she s tended since her father died Here on the rocky shore of Lake Superior she s alone with the bitter ignominy of her birth the shame of her love child s death and the ghost of a mother she never really knew That all changes on the wintry night she rescues a mysterious charismatic stranger whose boat is nearly dashed upon the rocks After she s nursed him back to health he tells her a fantastical tale of another world where somehow only she can save the beleaguered Empress from sorcerous plottings to usurp the throne His tale is wildly fanciful yet Bridget feels somehow drawn to his world to the empire of Isavalta Kalam her handsome charming patient transports her with him from Lake Superior to a dazzling world that seems like a dream But if Isavalta is a dream Bridget s new life is a nightmare Caught in a magical crossfire between the powerful Dowager Empress her daughter in law an the sorcerers who serve their mistresses and other more subtle ends she doesn t know whom to trust whom to beware With the fate of an empire at stake and her heart torn by conflicting desires she becomes a reluctant player in a deadly game of politics and magic with rules as hard to untangle as the knots in a silken tassel or the threads of a woven rug As she attempts to see beyond the masks of power and discover truth in a world where magical spells can take almost any form each hour she spends in the luxury of Isavalta s court binds her more tightly in the seductive embrace of secrets from her own past and of unfulfilled yearnings she can t deny A stranger in this bedazzling place she must find a path to salvation for herself and for her new otherworldly home but that path seems rockier than the Lake Superior shore she left behind **The Keeper's Pursuit** Kaiya Patel,2023-02-26 For centuries the Keepers have protected the world from the shadows ensuring that the forces of darkness never gain a foothold Led by their fearless leader the Eternal Keeper the team is comprised of individuals from all walks of life who are united in their mission to keep the world safe When a new threat arises the Keepers must face their greatest challenge yet With the fate of the world hanging in the balance they must use all their skills and knowledge to stop the dark forces from taking over As they embark on their perilous journey the Keepers discover secrets that will shake them to their core They must confront their own fears and weaknesses and come together as a team to overcome the odds With twists and turns at every corner The Eternal Keepers is a thrilling tale of courage loyalty and sacrifice Will the Keepers prevail and save the world or will the darkness finally triumph **The Living God** Dave Duncan,2014-04-01 The final volume in the Aurora Award winning author s epic fantasy series Duncan s plots add up and his characters have personalities Kirkus Reviews War had engulfed the whole world The imposter imperor ruling in Hub was the tool of the paranoid and almighty sorcerer Xinixo who wielded the combined power of thousands of sorcerer slaves And yet despite his seeming omnipotence the pathetic few who resisted him were still at liberty even making a little progress Xinixo s prime foe Rap of Krasnegar had rallied troll sorcerers to the cause and was about to try enlisting the incomprehensible elves

Fortunately for his sanity he did not know that his daughter Kadie had been carried off by goblin invaders or that his son Gath was heading for stark Nordland to deal with the fearsome jotnar or that his wife Inos was in Guwash negotiating with gnomes Shandie the rightful imperor was with her unaware that his wife Impress Eshiala believed him dead and had fled with Signifer Ylo that notorious rake And none of them knew about the sorcerers of Thume especially the rebel pixie girl Thale who chafed against the secret binding of a thousand years But the odds were still impossible and Longday was fast approaching The sorcerers of the world foretold blood on Longday **The Sorcerer's Stone** Beatrice Grimshaw,1914 *The Sorcerer's Lady* Debra Dier,1999-04 An ancient Viking sorcerer searches Victorian Boston for his one true love in this time travel romance from the author of Devil s Honor and Shadow of the Storm **The House of the Sorcerer** Haldane Macfall,1899 **Legend of the Sorcerer** Donna Kauffman,2000-02-29 For thousands of years tales of the fabled Dark Pearl were told and retold Then the stories faded with the passage of time leaving behind the stuff of myths and magic until fate brought together the only two people in the world who can breathe life back into the Legend of the Sorcerer Sculptor Jordy Decker came to the Florida Keys seeking inspiration for her art but instead becomes enmeshed in a mystery that turns her world upside down and leads her directly to Malacai L Baan the intense enigmatic author of the bestselling Dark Pearl fantasy series The mystery seems connected to alarming letters from an obsessive fan who is certain the Dark Pearl is real and will do anything to possess it Jordy is drawn to Cai in a way she cannot understand and cannot seem to resist And as the danger grows stronger Jordy finds magic in Cai s embrace and a special passion that may just destroy them both **The Sorcerer's Apprentice** Richard W. Rolf,1996 This is the first critical study of a man who helped Hitler into power and continued to serve him until the very end of the Third Reich Other biographies of Franz von Papen have failed to portray a complete account of his life This book goes beyond giving a mere profile of Papen s personality it is a critical examination of his life and the effects that his errors in judgement had upon his world The author studies how von Papen s exaggerated sense of duty to the Fatherland blinded him to the consequences of his service to the Nazis and make it impossible for him to ever fully break his association with the Hitler regime The Sorcerer s Apprentice full of pictures and descriptive detail will appeal to scholars in the field of modern German history It will also serve as a valuable reference source in any college courses on Nazi Germany and should have a place in every college and university library In addition anyone interested in German history from 1944 to 1945 will want a copy of this unique and probing study Contents List of Pictures Author s Preface The Early Years The Kaiser s Faithful Servant From Epaulets to Top Hat The Cabinet of Barons Pinstripe Diplomacy Towards the New State the New State in Action The New State is Challenged The Cardinal vs the Baron Under the Swastika Revolution After Power The Austrian Question The Anschluss Mission to Ankara The Final Years Bibliography Index **The Romance of Sorcery** Sax Rohmer,1914 **Late Night Rendezvou** Margaret Malkind,1988 **Sweet Misery** Charlotte Hughes,1988 *What Do I Read Next?* Neil Barron,2005-10-21 By identifying similarities in various books this annual
