Enfolding Silence Brett J. Esaki,2016-05-02 This book demonstrates how Japanese Americans have developed traditions of complex silences to survive historic moments of racial and religious oppression and how they continue to adapt these traditions today Brett Esaki offers four case studies of Japanese American art gardening origami jazz and monuments and examines how each artistic practice has responded to a historic moment of oppression He finds that these artistic silences incorporate and convey obfuscated and hybridized religious ideas from Buddhism Christianity Confucianism Shinto indigenous religions and contemporary spirituality While silence is often thought of as the binary opposite and absence of sound Esaki offers a theory of non binary silence that articulates how multidimensional silences are formed and how they function He argues that non binary silences have allowed Japanese Americans to disguise adapt and innovate religious resources in order to negotiate racism and oppressive ideologies from both the United States and Japan Drawing from the fields of religious studies ethnic studies theology anthropology art music history and psychoanalysis this book highlights the ways in which silence has been used to communicate the complex emotions of historical survival religious experience and artistic inspiration

Liturgical Feasts and Seasons Thomas Merton,2022-11-09 This critical edition makes available for the first time Thomas Merton s novitiate conferences on liturgy Though dating from the period just before the liturgical reforms of Vatican II Merton s commentaries remain pertinent for their insights on his own commitment to this central dimension of Christian life on his work introducing students to the patterns that would mark their lives as

monks and on the perennial meaning of the key events of the liturgical year The thoroughly annotated text is preceded by an extensive introduction situating this material in the context of Merton's lifelong writing on liturgy As Merton's former student Br Paul Quenon writes in his foreword Nowhere in all of Merton's writings can one find such an extended demonstration of the hermeneutical approach he took in commenting on Scripture This was focused intensely on finding the meaning Scripture had for our life in God These notes take us into one man's lifetime of reflection and seasoned experience of the Church Year

The Drunkard's Looking Glass Mason Locke Weems, 1818 Just Be Honest Clint Watkins, 2024-01-01 Learn how to lament wrestle with God in prayer and experience genuine hope and joy amidst grief and pain Suffering often causes deep spiritual agony You might be left thinking Where is God Why is he allowing this Why doesn't he do something And then guilt whispers to your soul Am I allowed to say these things Shouldn't I trust God without hesitation Am I just a faithless Christian This honest warm and personal book shows us that we don't need to wrap up our stories of suffering with lessons and silver linings or suppress our pain Being honest with God and with others about our heartache is not only allowed but encouraged in the Scriptures In fact lament is authorized by God as an act of worship Weaving in his own story of pain and loss with biblical reflections Clint Watkins shows us how lament is permitted by Jesus shaped by Scripture fueled by grace and filled with hope And when we lament as communities through worship and testimony we minister hope to a hurting world Learn how to pray without pretending by sharing your hurts with God As you draw near to the Father experience genuine hope and joy amid grief and pain A great gift for Christians who are suffering and a useful resource for church leaders and others who are walking alongside them Clint Watkins is a missionary to college students
