Spanish Gambit:

The Spanish Gambit Stephen Hunter,1986 **Encyclopedia of the Spanish-American and Philippine-American Wars** Jerry Keenan,2001-12-05 An A Z encyclopedia covering the principal battles and campaigns key military and political figures and the political maneuvering during the Spanish American and Philippine American Wars America s adventure into colonialism began with the destruction of the U S battleship Maine in 1898 presumably by a Spanish mine The four month war against Spain that followed the shortest declared war in U S history resulted in the U S acquisition of the Philippines Puerto Rico and Guam The young giant of the Western Hemisphere was transformed into a colonial power and the balance of power in the world was changed forever In this chronicle of an era that has escaped the attention it deserves military historian Jerry Keenan explores America s war with Spain and the violence that followed He shows how the United States muddled the administration of the sprawling Philippine archipelago guided by a policy that President McKinley called benevolent assimilation Within a year the United States was fighting a war against Philippine nationalists a three year conflict that would give American soldiers their first bitter taste of counterinsurgency warfare in an Asian jungle Nato Enlargement During the Cold War M. Smith,2000-09-19 Why did NATO expand its membership during the Cold War years and what was its attraction to new members This book locates the answers to these questions not solely in the Cold War but in the historical problems of international order in Europe and the growing idea of the West A wide range of sources is used and the analysis looks at a process of neo enlargement during NATO s inception as well as the formal accessions that followed Foreign Relations of the United States United States.
