Surrounded by the city of San Antonio and bisected by Texas State Highway 16 Leon Valley is known as the City of the Lions
In the early 1800s European and Mexican immigrants homesteaded and raised their families here Joseph Huebner an
Austrian immigrant built a limestone house that became a stagecoach stop providing a change of stock and overnight
accommodations for weary travelers Stories about strange noises and hauntings told by former homestead residents were
thought to be related to the circumstances of his death In the mid 1930s a building boom attracted many to the quiet
countryside By the 1940s dairy farming was the main occupation From its beginnings Leon Valley residents have chosen to
preserve and celebrate its history and concern for the well being of its citizens has remained a priority This small community
