Handbook of Research on Consumer Behavioral Analytics in Metaverse and the Adoption of a Virtual World Keikhosrokiani, Pantea,2023-04-05 Although there are various studies on theories and analytical techniques to address consumer behavior change in the current world tracking consumer behavior change in the metaverse and the adoption of the metaverse remains a challenge that requires discussion The advent of the metaverse will have a profound influence on consumer behavior from how people make decisions and create brand connections to how they feel about their avatar embodiment and their purchases in the metaverse The Handbook of Research on Consumer Behavioral Analytics in Metaverse and the Adoption of a Virtual World investigates the social behavioral and psychological factors that influence metaverse adoption The focus then shifts to concepts theories and analytical approaches for detecting changes in consumer behavior in the metaverse Covering topics such as e commerce markets user experience and immersive technologies this major reference work is an excellent resource for business executives entrepreneurs data analysts marketers advertisers government officials social media professionals librarians students and educators of higher education researchers and academicians

The Metaverse Matthew Ball,2022-07-19 INTERNATIONAL BESTSELLER United States Canada United Kingdom and China Wall Street Journal Associated Press Nielsen Bookscan Publishers Weekly USA Today Toronto Star Globe investigates the role of Web3 blockchains and NFTs and predicts Metaverse winners and losers Most importantly he examines many of the Metaverse s almost unlimited applications The internet will no longer be at arm s length instead it will surround us with much of our lives labor and leisure taking place inside the Metaverse Bringing clarity and authority to a frequently misunderstood concept Ball foresees trillions of dollars in new value and the radical reshaping of society

Public Discourse and the Fashion Industry Natalia Berger,2026-02-24 This book explores what happens when fashion discourse migrates from specialised media to mainstream newspapers Analysis of 2 263 texts across five Dutch and international case studies animal welfare disability repair practices smart wearables and metaverse fashion demonstrates systematic reversal instead of creating desire it provokes aversion instead of fostering inclusion it reinforces marginalisation instead of encouraging creativity it stokes speculative investment appetites Drawing on Barthes s semiology of fashion Foucault s discourse theory and Lotman s

concept of the semiosphere the book introduces critical discursive matrix analysis as a method for examining fashion at its periphery The findings reveal that when fashion intersects with social issues in mainstream media it becomes colonised by other discursive systems medical civic technology and financial while fashion industry voices retreat replaced by NGOs activists and technology companies pursuing non fashion agendas The volume provides insights into why sustainability efforts fail despite awareness how media representation shapes consumer behaviour and why fashion discourse cannot evolve within its commercial framework Public Discourse and the Fashion Industry will engage a diverse audience including fashion studies scholars discourse analysts media researchers sustainability practitioners policymakers fashion industry strategists and communication specialists
