Tomara precauciones para que su labor no incomode ni a la policía ni a la mafia local. Es lo que todos esperan. Anders conoce las reglas. A su edad romperlas sería una estupidez. El último detective Robert Crais, 2006 *World Literature in Spanish* Maureen Ihrie, Salvador Oropesa, 2011-10-20. Containing roughly 850 entries about Spanish language literature throughout the world, this expansive work provides coverage of the varied countries, ethnicities, time periods, literary movements, and genres of these writings. Providing a thorough introduction to Spanish language literature worldwide and across time, it is a tall order. However, *World Literature in Spanish: An Encyclopedia* contains roughly 850 entries on both major and minor authors, themes, genres, and topics of Spanish literature from the Middle Ages to the present day, affording an amazingly comprehensive reference collection in a single work. This encyclopedia describes the growing diversity within national borders, the increasing interdependence among nations, and the myriad impacts of Spanish literature across the globe. All countries that produce literature in Spanish in Europe, Africa, the Americas, and Asia are represented, covering both canonical authors and emerging contemporary writers and trends. Underrepresented writings, such as texts by women, writers queer and Afro-Hispanic, children's literature, and works on relevant but less studied topics such as sports and nationalism, also appear. While writings throughout the centuries are covered, those of the 20th and 21st centuries receive special consideration.

Federal Register, 1998-01-28 **Fantasmas** Chuck Palahniuk, 2012-04-12. Una tira provocativa sobre el ansia de notoriedad y un homenaje a los clásicos del género de terror en la línea de *Los cuentos de Canterbury* o *Frankenstein*. Un grupo de escritores acuden tras leer un anuncio en la prensa a un retiro para artistas donde supuestamente darán rienda suelta a su imaginación. Inmersos en un escenario aislado de las preocupaciones mundanas, los escritores llegan dispuestos a escribir su obra maestra. No obstante, la colonia de escritores resulta ser un lugar apartado del mundo: un viejo teatro abandonado donde la comida, la electricidad y los suministros básicos son bienes escasos. En estas condiciones precarias, los protagonistas comienzan a escribir historias terroríficas hasta llegar a un grado de maquinación diabólica y alzarse ante la masa como héroes de una película documental. Reseñas: La obra de ficción más original de este año. Definitivamente, su última novela no es para cobardes. *The Guardian*. Si por algo es conocido Chuck Palahniuk es por su deseo de conmocionar con *Fantasmas*; no podemos decir que haya cambiado de rumbo. *The Daily Telegraph*.
