Uncharted Lives:

Uncharted Lives Stanley Siegel, Ed Lowe, 1994 In an important work a Passages for gay men Siegel addresses such issues as promiscuity effeminacy the origin of homosexuality gay parenting political activism and mentoring as he charts the unique course gay men must navigate from childhood through old age

Uncharted Lives Stanley Siegel, Ed Lowe, Jr., 1994-12-01 Through identifying the passages and signposts of a gay man s psychological development Siegel demonstrates that cultivating creativity is an adaptive strategy required for social and emotional survival throughout a gay man s life Forced from their earliest days to contend with the disadvantages of oppression and ostracism to develop without encouragement from role models and families and friends gay men repeatedly invent original solutions to life s dilemmas They create their own road map to navigate the obstacles and challenges placed before them by a hostile society More than 100 anecdotal interviews with gay men of all ages

Mermaids in History: Engendering Maritime Labour and Business History, 1700-1900 ,2025-12-18 This volume aims to defamiliarise the economic and social maritime history of Europe and North America by revealing women s roles and multifaceted contributions in the male dominated maritime economic arena during industrial capitalist modernity By questioning the separated spheres paradigm the chapters in this volume highlight the intricate and illogical relation between women as economic actors and maritime capitalism and modernity Far from being a clear cut and linear trajectory this relationship is rather outlined as a layered dialectical relationship that simultaneously considers the interaction of forms of oppression and liberation Contributors are Paola Avallone Helen Berry Justine Cousin Ariana Dom nguez Garc a John Odin Jensen Kathy S Mason Erica Mezzoli Ant nia Morey Luisa Maria Mu oz Abeledo Tomas Nilson Oskar Opassi Raffaella Salvemini Daniel J Albero Santacreu Andreu Segu and Jo Stanley

The Magdalenes Linda Mahood, 2013-06-26 The nineteenth century witnessed a discursive explosion around the subject of sex Historical evidence indicates that the sexual behaviour which had always been punishable began to be spoken of regulated and policed in new ways Prostitutes were no longer dragged through the town dunked in lakes whipped and branded Medieval forms of punishment shifted from the emphasis on punishing the body to punishing the mind Building on the work of Foucault Walkowitz and Mort Linda Mahood traces and examines new approached emerging throughout the nineteenth century towards prostitution and looks at the apparatus and institutions created for its regulation and control In particular throughout the century the bourgeoisie contributed regularly to the discourse on the prostitution problem the debate focusing on the sexual and vocational behaviour of working class women The thrust of the discourse however was not just repression or control but the moral reform through religious training moral education and training in domestic service of working class women With her emphasis on Scottish magdalene homes and a case study of the system of police repression used in Glasgow Linda Mahood has written the first book of its kind dealing with these issues in Scotland At the same time the book sets nineteenth century treatment of prostitutes in Scotland into the longer run of British attempts to control drabs

and harlots and contributes to the wider discussion of dangerous female sexuality in a male dominated society *Index to Short Stories*, 1929 **Reviewing Masculinities** Michael Kimmel, 2025-09-09 As a subfield within Gender Studies Masculinity Studies has identified and interrogated ideas about masculinity and the lives of different groups of men since the late 1970s From its earliest incarnation within the Social Psychology of Sex Roles to its present sub fields in history sociology anthropology as well as psychology the study of masculinity is now replete with conferences book series at least four encyclopedias handbooks as well as several scholarly journals Michael Kimmel has been a central figure in the founding and development of Masculinity Studies Kimmel was the editor of one of the field's first interdisciplinary anthologies *Changing Men: New Directions in the Study of Masculinity* Sage 1987 followed by co editing the first college level textbook anthology *Men's Lives* 10 editions Pearson the Sage Series on Men and Masculinities 10 volumes Sage which culminated in the *Handbook on Studies of Men and Masculinities* Since 1980 Kimmel has also been a prolific book reviewer of books in the field as it developed with more than 60 reviews of books about men and masculinities Over the course of nearly five decades these reviews trace the development of the field itself from the early identification of men as a category of analysis and a subject worthy of inquiry to discussions of different groups of men the idea of multiple masculinities organized by race class religion age sexuality to men in different situations institutions and circumstances This unique collection brought together for the first time charts the development of the field of Masculinity Studies since its inception as a concept It is a vital addition to any scholarly library which supports research and study of sociology social history culture and gender studies
