A Book of Uncommon Prayers, Literary, Biographical, Historical, 1898

Common Words, Uncommon Prayers Larry Maddin, 2006 While many use traditional language in prayer preferring the world of harps and halos Dr Larry Maddin refreshingly weaves imagery from everyday life into these offbeat and colorful prayers

A Book of Uncommon Prayer Brian Doyle, 2014 Acclaimed award winning essayist and novelist Brian Doyle whose writing in the words of Mary Oliver is a gift to us all presents one hundred new prayers that evoke his deep Catholic belief in the mystery and miracle of the ordinary and the whimsical in human life In Brian Doyle's newest work his readers will find a series of prayers unlike any of the beautiful formal orthodox prayers of the Catholic tradition or the warm extemporized prayers heard from pulpits and dinner tables Doyle's often dazzling always poignant prayers include eye opening hymns to shoes and faith and family In Doyle's words the world is crammed with miracles so crammed and tumultuous that if we stop see savor we are agog and the pages of his newest book give voice and body to this credo By focusing on experiences that may seem the most unprayerful one prayer is titled Prayer on Seeing Yet Another Egregious Parade of Muddy Paw Prints on the Floor he gives permission to discover the joys and treasures in what he often calls the muddle of everyday life

The Book of Uncommon Prayer Steve L. Case, 2002 Why do you need this book Because there are treasures in tradition In stark contrast to the common belief that youth workers require nothing less than a light show smoke machine and sweaty punk rock band to reach teenagers souls more and more youth have actually been moving toward depth and quiet and away from fluff and noise Creeds candles silence and ancient spiritual practices are all gaining understanding and popularity among students who're passionately seeking otherworldly and mysterious fragrances They're realizing that there are treasures in tradition *The Book of Uncommon Prayer* is your tool for unearthing dusting off and tapping into these treasures but in ways that are completely contemporary and more importantly completely relevant to students It's personal The prayers and worship services inside are written for youth ministry for students and for youth workers They tell the from the gut truth

about what you and your kids face every day and in language that won't leave anybody scratching their heads. It's practical. These tools are for just about any situation you can think of: Need a prayer for a lock in? For family? For loving enemies? For final exams? How about a mind-blowing Dumpster Christmas service? An eye-opening service for All Hallows' Eve? Or the most intense service for Good Friday you've ever experienced? They're all here along with many other innovative vehicles for bringing your students into communion with God. It's unparalleled. This book is for all denominations. It doesn't matter if you're mainline or evangelical, Protestant or Catholic. The Book of Uncommon Prayer is geared for all teenagers and youth workers in Jesus church. There's also an entire section of devotions and prayers written specifically for you, the youth worker, to renew and strengthen you when times are tough. Plus we've included a bonus music CD in the back: Eucharist, an at once moody and energetic, ancient/postmodern collection of songs straight from the alternative worship movement in the United Kingdom. Many services inside use songs from the Eucharist CD and there's even an entire service that uses the CD from start to finish. Mysterious. Practical. Treasure-filled. Yes, uncommon too. The Book of Uncommon Prayer is a rich source of God-revealing worship and a one-of-a-kind guide for personal renewal that youth workers, camp counselors, Sunday school teachers, adult volunteers, and even students will love.

A Book of Uncommon Prayers, Literary, Biographical, Historical (Classic Reprint) Edwin Hodder, 2018-01-18. Excerpt from *A Book of Uncommon Prayers: Literary, Biographical, Historical*. It is quite true that the literature of prayer may be made conventional and commonplace and that a long series of prayers composed by one person may become a book of mere repetitions, but it is equally true that in the selected prayers of men of large hearts and wide influence who have left their mark on the history of the Church in times of critical importance in the past, no less than in the prayers of thoughtful men in the changing and unstable present, there are to be found valuable gems of devout expression, deep and wondrous thoughts of God and man, fruitful aids from rich experience and rousing words of hope and aspiration.
