**Experience the Golden Age of Boxing** Steven Losch,2014-11-21 This book contains my personal written and photographic account of the last golden era of professional boxing which began when six Americans who won medals at the 1976 Olympics in Montreal turned pro and ended in 1983 when Marvin Hagler knocked out Thomas Hearns in three thrilling rounds The real boxing enthusiast will vividly recall that bright shining period in the history of our favorite sport and remember nothing at all about me That is exactly as it should be because this book is about the fighters and not the writer who started to memorialize their exploits with a manual typewriter nondigital camera and miniature tape recorder over a quarter of a century ago
