Williams Time:

The Metaphysics of Donald C. Williams A.R.J. Fisher, 2025-04-29 The thesis of this book is that Williams played a key role in the development and revival of analytic metaphysics This book begins with an account of Williams approach to philosophy given the rise of realism in the early twentieth century with a focus on his use of induction and parsimony to argue for metaphysical theses such as metaphysical realism and metaphysical naturalism It explains his critique of logical positivism and his defence of an empirical conception of metaphysics which in turn reveals how he took himself to be standing up to rising anti metaphysical trends This book then expounds within the framework of his empirical metaphysics his one category trope ontology and its origins arguing that his systematisation of the concept of an abstract particular or trope is his most novel contribution to analytic ontology This book further presents an original interpretation of his account of concrete objects and abstract universals engaging with current debates in the metaphysics of properties sometimes defending Williams sometimes correcting misinterpretations sometimes critically reassessing his views This book also explains his defence of the four dimensional manifold of time and his objections to competing theories such as the growing block theory and presentism incorporating recently posthumously published work in *The Elements and Patterns of Being* ed A R J Fisher 2018 with up to date references to the latest work in the metaphysics of time Lastly this book analyses Williams s influence on later philosophers such as Lewis and Armstrong and others in Australia drawing from correspondence between Williams Lewis and Armstrong and evaluates his place in the history of analytic philosophy concluding that he played a key role in the development and revival of analytic metaphysics

The Films of Robin Williams Johnson Cheu, 2019-06-13 From his first appearance as Mork from Ork on the 1970s sitcom Happy Days Robin Williams was heralded as a singular talent In the pre cable television era he was one of the few performers to successfully transition from TV to film An Oscar winning actor and preternaturally quick witted comedian Williams became a cultural icon leaving behind a large and varied body of work when he unexpectedly took his own life in 2014 This collection of new essays brings together a range of perspectives on Williams and his oeuvre including beloved hits like Mrs Doubtfire Good Morning Vietnam Good Will Hunting The Fisher King Dead Poets Society and Aladdin Contributors explore his earlier work Mork and Mindy The World According to Garp and his political and satirical films Moscow on the Hudson Toys Williams s darker less well known fare such as Being Human One Hour Photo Final Cut and Boulevard is also covered Williams s artistry has become woven into the fabric of our global media culture
