Wind Waves And Zen:

Wind, Waves and Zen Dirk Bornhorst, 2004 All the world s a stage one man comes face to face with a tide of questions What do we live for What do we mean to other human beings Where do we stand in the greater scheme of things dialogue unraveling in dreamlike phantasmagoric scenes which flew into the author s pen almost without his intellectual participation as he confesses the world a stage populated by multitudinous characters is acted out before us the privileged spectators Wind Waves and Zen is written simply but it is far from simplistic and induces in the reader a clarity of mind which is a truly refreshing experience Venezuela where his father and grandfather had been working as merchants since 1854 On a trip via Asia to Europe the family was surprised by the Second World War and so the author received his schooling in German schools in Kobe Japan and Tianjin China where he finished his high school After studying architecture at the University of California in Berkeley and at the E T H Zurich he has worked since 1952 in Caracas as an architect and university professor

Japanese Gardens Seiko Goto, 2015-10-16 The unique beauty of the Japanese garden stems from its spirituality and rich symbolism yet most discussions on this kind of garden rarely provide more than a superficial overview This book takes a thorough look at the process of designing a Japanese garden placing it in a historical and philosophical context Goto and Naka both academic experts in Japanese garden history and design explore The themes and usage of the Japanese garden Common garden types such as tea and Zen gardens Key maintenance techniques and issues Featuring beautiful full colour images and a glossary of essential Japanese terms this book will dramatically transform your understanding of the Japanese garden as a cultural treasure
