The Distant Stranger

Charles Merivale

The Distant Stranger:

The Distant Stranger Palma Harcourt, 1984 **The Supremacy of Love** Eric J. Silverman, 2019-08-27 Thirty five years ago Alasdair MacIntyre's *After Virtue* established virtue ethics as a major challenger to competing visions of morality but there is still considerable disagreement concerning which version of virtue ethics provides the best approach *The Supremacy of Love* describes and advocates an agape centered vision of Aristotelian virtue ethics that portrays love as the most important moral virtue and the goals of love as a partial constituent of every genuine virtue This structural improvement to Aristotelian virtue ethics found originally in the ethics of Thomas Aquinas enables this account to address several controversial topics in contemporary virtue ethics including why the virtues cannot be used badly in what sense is there a unity between the virtues how the virtues benefit the virtuous person and how virtues provide action guidance Eric J Silverman demonstrates how and why a distinctly love centered approach to virtue ethics should make the view widely attractive in comparison to alternative accounts of virtue ethics duty based deontological theories as well as results based consequentialist views

Intricate Ethics F.M. Kamm, 2008-09-18 Reading F M Kamm's latest book is like watching a brilliant astronomer map an uncharted galaxy the meticulousness and the display of mental stamina must inspire awe There is a kind of beauty in the performance alone *Intricate Ethics* is a major event in normative ethical theory by a living master of the subject In the end professional moral philosophers cannot reasonably ignore *Intricate Ethics* Kamm continues to prove herself the most imaginative detail oriented deontologist writing in English today Professor Kamm is in a class by herself Jeffrey Brand Ballard Notre Dame Philosophical Reviews The operative word in this masterful work is intricate Watching Kamm's mind dissect and reconstruct different cases is like watching a juggler riding a unicycle carrying on a conversation while getting dressed It is a glorious celebration of what moral philosophy does best and what one of its most gifted practitioners can do to enlighten our understanding of the most pressing ethical issues of our time But it is also a rich playground for empirically minded philosophers and psychologists who want to play with the clever class of dilemmas that Kamm has created dilemmas that will both amuse and torture generations of people Marc Hauser is a Harvard College Professor and author of *Moral Minds* Frances Kamm once again proves herself to be an astonishingly subtle and creative defender of a deontological outlook Anyone at all interested in normative ethics will find something of value in *Intricate Ethics* There are striking and original views on a wide range of topics And no one absolutely no one compares to Kamm when it comes to constructing relevant test cases and carefully assessing our intuitive reactions to them This is a master at work at the height of her powers Shelly Kagan Clark Professor of Philosophy Yale University *Intricate Ethics* fully justifies its title It is as deep subtle imaginative and analytically rigorous as any work in moral philosophy written in a great many years It is dense with highly original and fertile ideas supported by powerful and ingenious arguments This book amply confirms Frances Kamm's standing as one of the greatest living philosophers Jeff McMahan Rutgers University Kamm's virtuosity in

hypothesizing cases in defense or refutation of moral principles remains unsurpassed Intricate Ethics is also a testament to the fruitfulness of this rarefied method of ethics One might have thought that having already devoted several hundred path breaking pages to the topic of nonconsequentialism in her earlier two volume Morality Mortality it would have been impossible to break much new ground in this sequel Yet what Kamm has to say here on the topics of harming and saving from harm is as novel arresting and insightful as ever Michael Otsuka Professor of Philosophy University College London Kamm is the most sophisticated of the contemporary exponents of intuitionist or nonconsequentialist ethics No one else makes such extraordinarily meticulous and penetrating attempts to extract the principles behind our ordinary moral intuitions I highly recommend it as an inclusive and subtle attempt to work out nonconsequentialism on an intuitionist basis As a bonus Intricate Ethics also offers searching analyses of the work of Peter Unger Peter Singer Bernard Gert T M Scanlon Daniel Kahneman and Amos Tversky Ingmar Persson Times Literary Supplement *The Ethics of Killing* Jeff McMahan,2002 Drawing on philosophical notions of personal identity and the immorality of killing Jeff McMahan looks at various issues including abortion infanticide the killing of animals assisted suicide and euthanasia **The Ethics of Assistance** Deen K. Chatterjee,2004-04-08 As globalization has deepened worldwide economic integration moral and political philosophers have become increasingly concerned to assess duties to help needy people in foreign countries The essays in this volume present ideas on this important topic by authors who are leading figures in these debates At issue are both the political responsibility of governments of affluent countries to relieve poverty abroad and the personal responsibility of individuals to assist the distant needy The wide ranging arguments shed light on global distributive justice human rights and their implementation the varieties of community and the obligations they generate and the moral relevance of distance This provocative volume will interest scholars in ethics political philosophy political theory international law and development economics as well as policy makers aid agencies and general readers interested in the moral dimensions of poverty and affluence

The Top Books of the Year The Distant Stranger The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Distant Stranger : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
