*Aunt Sarah's Locket* Ann Artis,2016-01-26 I share this story about my life from childhood to adulthood while telling how my maternal grandmother that I was not aware existed gave me a locket in secret while visiting me for the very first time when I was twelve years old I explained here why and how I was able to hide the locket for fifty five years I tell my story of the locket through a series of unusual events where things were surprisingly revealed to me about an ancestry that I never knew existed on my mother s side of the family I relate how that locket kept silent and never opened itself for years until it was the perfect time to reveal its true meaning to me I explained the feeling of total joy and excitement I have once I discovered for certain that I have real blood relatives on my mother s side of the family not just step relatives or adopted family members My desire to help my youngest granddaughter understand the importance of the locket as I pass it down to her compelled me to write about the events surrounding Aunt Sarah s locket and just how I discovered what I had been given by my grandmother over fifty five years ago

son and her husband Edward In stonefaced silence she feeds her bitterness mile after plodding mile It takes her sister in law Polly Boone Bradley to make Elizabeth appreciate what she has rather than grieve for what she is losing In time as she sees her nine children thrive Elizabeth comes to accept the raw new country but it will be tragedy that finally gives her the heart of a Texan When Letty the headstrong seventh Bradley child falls in love with her brother s partner Brax Hall and marries him it seems a perfect union And so it is in spite of Brax s older brother Warren Rich educated and politically influential Warren is also narcissistically self absorbed He allows nothing nor anyone to stand in the way of what he wants A chain of events triggered by Warren forces Letty to leave her beloved family and Texas in order to protect her son For seven years she must call the Louisiana bayou country home but just as trouble forced her out of Texas trouble gives her no choice but to return Her fear begins as soon as she crosses the Sabine River and it grows with each mile the wagon bumps east along the La Bahia Road Historical Sketches and Reminiscences of Madison County, Indiana John La Rue Forkner, Byron H.
