Sundowners Tonia Brown, 2014-07-15 Traumatized and estranged siblings reunite against an ancient evil Southern flavored horror so well written that I found myself re reading sentences Stephen A North author of *Dead Tide* Fifteen years ago siblings Coil and Cassiopeia suffered an incident in the woods behind their family home An incident that neither of them are willing to remember Something that nearly killed Cass and left Coil accused as her abuser An act that robbed young Coil

of his artistic potential yet boosted his little sister into an almost overnight sensation in the art world Now the self exiled Coil has come home to deal with his world famous sister as she suffers from sundowning severe and violent personality shifts after the sun sets Coil s reluctant loyalty to his family is rewarded with an unexpected return to his artistic roots as he wakes each day to find he has painted a brilliant but disturbing masterpiece in his sleep As the siblings struggle to heal old family scars something is reaching out to the small town of Ellenville driving the townsfolk mad and leaving chaos mayhem and death in its wake And the key to stopping the madness lies in Cass s sundowning and Coil s blooming talent

Understanding American Politics, Second Edition Stephen Brooks,Douglas Koopman,J. Matthew Wilson,2013-05-06

Understanding American Politics provides a unique introduction to the contemporary political landscape of the United States by using as its core organizing feature the idea of American exceptionalism a concept that is at least as old as Tocqueville s study of American democracy The second edition of Understanding American Politics maintains the unique strengths of the first edition while offering improved coverage of political institutions A single omnibus chapter on institutions has been reorganized and split into three separate chapters on Congress the presidency and the courts A new chapter on public opinion has also been included and the chapter on religion and politics has been completely rewritten with a deeper appreciation of religion s influential role The book has been revised throughout taking into account the dramatic changes that have emerged since the 2010 congressional elections and the 2012 presidential election The text also pays close attention to what is seen as the irreversible decline in America s global influence Visit www.utpamericanpolitics.com for additional resources

The Testimonies of Slaves Work Projects Administration,2020-12-17 Musaicum Books presents to you this meticulously collection of hundreds of life stories recorded interviews and incredible vivid testimonies of former slaves from the American southern states including photos of the people being interviewed and their extraordinary narratives After the end of Civil War in 1865 more than four million slaves were set free There were several efforts to record the remembrances of the former slaves The Federal Writers Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves The resulting collection preserved hundreds of life stories from 17 U S states that would otherwise have been lost in din of modernity and America s eagerness to deliberately forget the blot on its recent past Contents Alabama Arkansas Florida Georgia Indiana Kansas Kentucky Maryland Mississippi Missouri North Carolina Ohio Oklahoma South Carolina Tennessee Texas Virginia

The Yale Courant ,1894 **Dream Quest: A Seeker's Guide to Finding the Purpose of Being**

Justan Mann, PhD,2018-03-07 Dream Quest reveals a series of vivid lucid dreams that foretell the future and delve into the nature of being The dreams happened as described although they are presented within the context of a fictionalized trek that is set on the slopes of New Hampshire s Mount Major Alexander and his companions Verity and Futura eventually find refuge

from the night's chill within Madame Leonedria's grotto. Therein his dreams about the future human nature and reality are discussed in depth. Alexander felt both cursed and blessed by these remarkable events for the gift that allowed him to find a metaphysical path to God's door slowly began consuming his mind. Indeed, the condition that sparked his visions degenerated Alexander's brain and his memories are now fading. However, the experiences were recorded long ago and they leave a message that might change your life. This is far more than a book about spirituality or morality. This is a quest for purpose.
