Jeroen Zandberg, 2018-07-30 where is here Is an existential question that everyone needs to ask him or herself in order to live a fulfilling life The foundations of a fair and successful society should be based on a view of human nature that acknowledges the fact that people are innately social beings who become human when they are part of a positive social environment This book wants to offer a greater insight into human nature and society Such an insight increases people s awareness and self confidence and reduces insecurity and fears of possible abuse As a result people will be better able to make the right decisions that benefit their life *Teacher's Leaflets* New York State College of Agriculture, 1898
