## Uncivil Wars:

[America's Uncivil Wars](#) Mark Hamilton Lytle,2005-09-01 Here is a panoramic history of America from 1954 to 1973 ranging from the buoyant teen age rebellion first captured by rock and roll to the drawn out and dispiriting endgame of Watergate In America s Uncivil Wars Mark Hamilton Lytle illuminates the great social cultural and political upheavals of the era He begins his chronicle surprisingly early in the late 50s and early 60s when A bomb protests and books ranging from Catcher in the Rye to Silent Spring and The Feminine Mystique challenged attitudes towards sexuality and the military industrial complex As baby boomers went off to college drug use increased women won more social freedom and the widespread availability of birth control pills eased inhibitions against premarital sex Lytle describes how in 1967 these isolated trends began to merge into the mainstream of American life The counterculture spread across the nation Black Power dominated the struggle for racial equality and political activists mobilized vast numbers of dissidents against the war It all came to a head in 1968 with the deepening morass of the war the assassinations of Robert Kennedy and Martin Luther King Jr race riots widespread campus unrest the violence at the Democratic convention in Chicago and the election of Richard Nixon By then not only did Americans divide over race class and gender but also over matters as simple as the length of a boy s hair or of a girl s skirt Only in the aftermath of Watergate did the uncivil wars finally crawl to an end leaving in their wake a new elite that better reflected the nation s social and cultural diversity Blending a fast paced narration with broad cultural analysis America s Uncivil Wars offers an invigorating portrait of the most tumultuous and exciting time in modern American history [Uncivil Wars](#) ,200? [America's Uncivil Wars](#) Mark H. Lytle,2006-02-10 America s Uncivil Wars explores the social cultural issues that preoccupied America in the years 1954 1974 [The Uncivil War](#) Robert R. Mackey,2014-08-04 The Upper South Arkansas Tennessee Kentucky and Virginia was the scene of the most destructive war ever fought on American soil Contending armies swept across the region from the outset of the Civil War until its end marking their passage at Pea Ridge Shiloh Perryville and Manassas Alongside this much studied conflict the Confederacy also waged an irregular war based on nineteenth century principles of unconventional warfare In The Uncivil War Robert R Mackey outlines the Southern strategy of waging war across an entire region measures the Northern response and explains the outcome Complex military issues shaped both the Confederate irregular war and the Union response Through detailed accounts of Rebel guerrilla partisan and raider activities Mackey strips away romanticized notions of how the shadow war was fought proving instead that irregular warfare was an integral part of Confederate strategy [Uncivil Wars](#) Donald M. Snow,1996 [Weirding the War](#) Stephen Berry,2011-10-01 It is well that war is so terrible Robert E Lee reportedly said or we would grow too fond of it The essays collected here make the case that we have grown too fond of it and therefore we must make the war terrible again Taking a freakonomics approach to Civil War studies each contributor uses a seemingly unusual story incident or phenomenon to cast new light on the nature of the war itself Collectively the essays remind us that

war is always about damage even at its most heroic and even when certain people and things deserve to be damaged Here then is not only the grandness of the Civil War but its more than occasional littleness Here are those who profited by the war and those who lost by it and not just those who lost all save their honor but those who lost their honor too Here are the cowards the coxcombs the belles the deserters and the scavengers who hung back and so survived even thrived Here are dark topics like torture hunger and amputation Here in short is war [Uncivil Wars](#) Thomas A. power after the Civil War as white supremacist terror guerrilla and paramilitary groups attacked biracial coalitions in their local areas The Ku Klux Klan was the most infamous of these groups but ex Confederate extremists fought democratic change in the region under many guises The biracial coalition put up a brave fight against these insurrectionary forces but the federal government offered the biracial forces little help After dozens of battles and tens of thousands of casualties between 1865 and 1877 the Southern Civil War ended in the complete triumph of extremist insurrection and white supremacy As the United States marks the 150th anniversary of the Southern Civil War its lessons are more vital than ever **Uncivil War**
