Vatican Rip:

The Vatican Rip Jonathan Gash, 2013 I always think that a genuine friend is like a genuine antique you'd go a long way to find one and you'd do anything to stop one getting broken When an Italian gentleman made me an offer I couldn't refuse stopping my friends from getting broken meant stealing a very valuable antique Somebody else has got my antique and I want it back was how he put it Who has it I asked Without a flicker of a smile he replied The Pope If you think of the Vatican as a big church where the Pope lives then think again It is a complete walled city with its own shops its own bank and its own armed security in the shape of the ridiculously costumed Swiss Guards Look a bit daft don't they But they're well trained and well armed young men Well if stealing antiques from the Pope was easy everybody would be doing it wouldn't they *The Vatican Rip* Jonathan Gash, 1983 The Vatican Rip Jonathan Gash, 1983 Lovejoy of Lovejoy Antiques is commissioned by a tough guy named Arcellano to retrieve an antique table which just happens to be inside the Vatican and Lovejoy proceeds to Rome and some dangerous maneuvers **Cosega Search** Brandt Legg, He had been looking for it his whole life When he finally found it it made no sense Now everyone wants it Nothing will ever be the same again Ripley Gaines a brilliant archeologist has spent his life searching for an elusive artifact to prove his controversial theory What he finds shocks even him The discovery rewrites human history and promises to change the planet's future It has to be suppressed The most powerful forces in the world align against him and a deadly competition for the artifact ensues Capturing Gaines is not enough he and everyone who has seen the artifact must be killed His only hope is to stay alive long enough to decode the Cosega Sequence Dig far enough into the past you may just discover the future **Cosega Shift** Brandt Legg, Cosega Shift the thrilling conclusion of the Cosega Sequence trilogy begins with an unexpected twist that forces Gaines to question who is the real enemy Close to cracking the meaning of the Cosega Sequence he has gone beyond proving that modern humans did not create Earth's first technologically advanced civilization The Eysen has revealed secrets that exceed the most fantastical imaginings But the combination of knowledge and destiny are dangerous As the world's strongest powers move in on him Gaines learns his enemies are nearer than his friends They will do anything to obtain the Eysen and silence him With time running out the lost Clastier Papers may hold the key Who were the Cosegans What did they want us to see And what did they need us to know Destroy enough of the past you may just dictate the future The Gondola Scam Jonathan Gash, 2014-04-03 Antiques and women are really the only things that I'm interested in Getting them in the right order can be a problem because even a fake antique can be absolutely fascinating especially if it drives someone to commit murder Antiques and women are what led me to Venice on the trail of the killer and there my modest talents saw me blagging my way into a job as a tour guide as well as lending a hand as a sculptor My credentials as a tour guide were as bogus as the forgery I was chiselling and it began to feel like everywhere I turned nothing was as it seemed Antiques and women almost got me killed when the bullets started flying **The Encyclopedia of Murder and Mystery** B. Murphy, 1999-12-09 Bruce
