## **The Quebec Connection:**

*The Quebec Connection* Julie-Françoise Tolliver, 2020 The first full length study of the literary solidarity reciprocities connecting Quebec to the francophone anticolonial movement this book examines the poetics of solidarity to offer precise and eloquent evidence of both the possibilities and the limits of shared language as a site for transnational political agency

**The Quebec Connection** Julie-Françoise Tolliver, 2020-12-03 From the 1950s to the 1970s the idea of independence inspired radical changes across the French speaking world In *The Quebec Connection* Julie Fran oise Tolliver examines the links and parallels that writers from Quebec the Caribbean and Africa imagined to unite that world illuminating the tropes they used to articulate solidarities across the race and class differences that marked their experience Tolliver argues that the French tongue both enabled and delimited connections between these writers restricting their potential with the language s own imperial history The literary map that emerges demonstrates the plurality of French language literatures going beyond the concept of a single unitary francophone literature to appreciate the profuse range of imaginaries connected by solidary texts that hoped for transformative independence Importantly the book expands the francophone framework by connecting African and Caribbean literatures to Qu b cois literature attending to their interactions while recognizing their particularities The *Quebec Connection* s analysis of transnational francophone solidarities radically alters the field of francophone studies by redressing the racial logic that isolates the northern province from what has come to be called the postcolonial world

**The Quebec Connection** Lionel Derrick, 1976 *Annual report* , 1889 **Journals of the House of Commons of the Dominion of Canada** Canada. Parliament.
