

WHAT IS PRIMARY RESEARCH?

Using Research In Primary Care

Rachel Sandford

Using Research In Primary Care:

Using Research in Primary Care Alan Gillies,2002 If you think that research is necessarily esoteric difficult and remote from primary care then try this book as an antidote It is designed as a workbook and covers 20 topics at the heart of the research agenda in today s NHS Each topic has its own chapter and is supported by online resources on the website Icons throughout the book guide you towards these relevant online resources which include documents useful links and downloadable templates At the end of each chapter there are questions to think about practical activities and key points to consolidate the information covered The book describes detailed and comprehensive methods for quantitative and qualitative research and data analysis and is useful and practical reading for all members of the primary care team including general practitioners and clinical governance staff

How To Do Primary Care Educational Research Mehmet Akman,Valerie Wass,Felicity Goodyear-Smith,2021-07-13 Primary care is a rapidly growing academic branch of learning and developing its own body of research is the hallmark of a maturing academic discipline This practical guide is the first designed specifically to support those planning conducting and disseminating primary care educational research While research informs clinical practice organisation of primary care services and teaching the discipline educational practices and modes of delivery are rapidly changing particularly in response to new information technologies Primary care practitioners must be engaged in life long learning and keep abreast of developments in many arenas and educational research into how to address this has thus become of paramount importance Key Features The first how to guide to designing conducting and disseminating primary care educational research Focus on inter professional education co design and participatory research approaches in line with current primary care models of care involving inter disciplinary teams Wide in scope exploring the current research environment in the contexts of undergraduate teaching postgraduate training continuing professional development and patient education for academics and educationalists at all levels Step by step introduction to the processes of literature review establishing the existing knowledge base choosing a topic research questions and methodology conducting research and disseminating results Supported by the WONCA Working Parties on Research and Education This book will encourage and upskill academics at universities and institutions teaching primary care in both undergraduate and postgraduate settings providing support and guidance on how to conduct their own research and evaluate their own programmes and will help to grow academic research in this discipline in high and importantly also low and middle income countries

Directing Research in Primary Care David A. Katerndahl,Kenneth M. Boyd,2018-07-27 This is a highly practical book that focuses on the specifics of development in primary care research units It discusses development of both research units and researchers themselves and offers helpful case studies that include an in depth look at the development of one particular research unit The issues and approaches used are applicable to all primary care researchers and administrators in medicine around the world Directing Research in Primary Care is an easy to read no nonsense guide that provides invaluable information and

guidance to individual researchers with or contemplating leadership roles and deans chairs and research directors supporting primary care research Proceedings - Conference on Research in Medical Education ,1977 *Government Reports Announcements & Index* ,1988 The Massachusetts register ,1987-08-21 **"Code of Massachusetts regulations, 2003"** ,2003 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 New York Court of Appeals. Records and Briefs. New York (State)., Research on Competition in the Financing and Delivery of Health Services Louis F.
