

# CONTEXT CLUES (READING)

Context clues are key pieces of information that help a reader understand the meaning of a word without requiring them to look it up in a dictionary.

## OVERVIEW

A context clue can be defined as a clue provided within a text that can help readers to infer meaning, even if they don't understand specific words within the paragraph.

Context clues are essential in the teaching of reading skills, where teachers specifically model the use of context clues to assist readers in reading for meaning and comprehension.
