Money Larry Burkett,1989 [How the Bible Actually Works](#) Peter Enns,2019-02-19 Controversial evangelical Bible scholar

popular blogger and podcast host of The Bible for Normal People and author of The Bible Tells Me So and The Sin of Certainty explains that the Bible is not an instruction manual or rule book but a powerful learning tool that nurtures our spiritual growth by refusing to provide us with easy answers but instead forces us to acquire wisdom For many Christians the Bible is a how to manual filled with literal truths about belief that must be strictly followed But the Bible is not static Peter Enns argues It does not hold easy answers to the perplexing questions and issues that confront us in our daily lives Rather the Bible is a dynamic instrument for study that not only offers an abundance of insights but provokes us to find our own answers to spiritual questions cultivating God s wisdom within us The Bible becomes a confusing mess when we expect it to function as a rulebook for faith But when we allow the Bible to determine our expectations we see that Wisdom not answers is the Bible s true subject matter writes Enns This distinction he points out is important because when we come to the Bible expecting it to be a textbook intended by God to give us unwavering certainty about our faith we are actually creating problems for ourselves The Bible in other words really isn t the problem having the wrong expectation is what interferes with our reading Rather than considering the Bible as an ancient book weighed down with problems flaws and contradictions that must be defended by modern readers Enns offers a vision of the holy scriptures as an inspired and empowering resource to help us better understand how to live as a person of faith today How the Bible Actually Works makes clear that there is no one right way to read the Bible Moving us beyond the damaging idea that being right is the most important measure of faith Enns s freeing approach to Bible study helps us to instead focus on pursuing enlightenment and building our relationship with God which is exactly what the Bible was designed to do *American Bookseller*, 1986 **Tarbell's Teacher's Guide** William Pierson Barker, 1984 **Insider's Guide to Book Editors, Publishers, and Literary Agents, 1996-1997** Jeff Herman, 1995-10-25 No other book gives aspiring authors the inside scoop on the names and specialties of acquisitions editors This vital information makes all the difference when submitting a book proposal or manuscript by keeping writers of all genres on top of the rapidly changing world of publishing Who s moved where who s new to the scene who s gone for good it s all here in one big volume **"The World's Easiest Pocket Guide" to Starting Your First Savings Plan** Larry Burkett, Ed Strauss, 2001 The World s Easiest Pocket Guide brand is filling a vacuum in the bookselling marketplace with an introductory level series on subjects affecting important lifestyle issues Each product features a highly recognizable author writing on topics of his or her expertise Shortly after leaving home or college most young adults are unprepared for making practical life decisions and planning for their futures Leading financial expert Larry Burkett has created this practical pocket guide to help young adults make sound financial decisions from the start Filled with bite sized chunks of trustworthy advice readers will be better equipped to prudently save for the future *Insider's Guide to Book Editors, Publishers and Literary Agents, 1995-1996* Jeff Herman, 1994-10-10 No other book gives aspiring authors the inside scoop on the names and interest areas of acquisition editors This vital information makes all the difference when submitting a book proposal Fully revised to
