*The Psalter, Book Five (Ps 107-150)* Roland Meynet, 2022 Classical commentaries study each psalm on its own However there is a growing trend to look at the composition of the Psalter The present commentary on the fifth and last book of psalms Ps 107 150 carries out a systematic analysis of the composition of this set of forty four psalms at all levels of its organization first each psalm on its own followed by each subsequence formed of several psalms then each sequence each of the five subsections that constitute the fifth book and finally the whole section i e the book The last five psalms 146 150 are so to speak outside the system for they constitute the doxology that concludes not only the fifth book but also the entire Psalter The composition is extremely elaborate At the centre of the construction Ps 119 which is a long meditation on the Law It is preceded by the Egyptian Hallel which celebrates the exodus from the land of slavery Ps 113 118 and followed by the Psalms of Ascents which sing and hope for the return from exile in Babylon Ps 120 134 Finally at the extremities two subsections that correspond to each other in the psalmist s own words From the mouth of deceit to the thanksgiving of the righteous Ps 107 112 From the venom of the serpent to the praise of the righteous Ps 135 145 The interpretation of each group of psalms allows us to reach a greater meaning which clearly exceeds the sum of the interpretations of each of the units that make it up

[The Message of the Psalter](#) David C. Mitchell,1997 What s really going on in the Psalms Is it just an anthology of old Israelite songs Or is there more to it than anyone ever guessed This evergreen classic is the book that first proposed in 1997 a messianic metanarrative in the Psalms It explains how someone arranged the Psalms to outline a program of future events like in Zechariah 9 14 There is an appendix of apocalyptic midrashim translated into English for the first time A bridegroom Messiah gathers exiled Israel He sets up a kingdom but dies a violent death Israel are

scattered in the wilderness of the nations Then they are gathered again in troublous times Finally they are rescued by a king from the heavens He sets his throne on Zion and receives the homage of the nations 160 000 words Read all about it **The Psalter** Roland Meynet,2022 Each of the five books of the Psalter has proved to be composed and well composed The same is true of the Book of Praises as a whole The procedures of biblical rhetorical analysis have made possible to show it despite the shortcomings of a research that could hardly be based on many earlier works The tradition saw a correspondence between the five books of the Psalter and the five books of the Torah In the Torah God speaks to people through the wonders he accomplishes in their favour and then through the law he enacts in this way he teaches them in accordance with the meaning of the word tora In the Psalter it is man who speaks to God who tells him of his misfortunes who calls on him for help who also praises him for his salvation The oppressed psalmist sometimes claims innocence but God makes him aware of his sin Then he confesses his faults and asks for forgiveness Finally he realises that he is unable to comprehend the law to see the path that leads to life And he asks insistently to be instructed in it From the first book the psalmist pleads Make me to know your ways Yhwh teach me your paths Ps 25 4 And he repeats it over and over again in the immense psalm of the Law Instruct me O Yhwh the way of your decrees Give me understanding and I will observe your law 119 33 34 Thus the law engraved on stone will be written on his heart of flesh That is the most visible and closest point of contact between the Torah and the Psalter Moses said Hear O Israel the laws and customs that I speak in your hearing today Deut 5 1 and God says in the heart of the Psalter Listen O my people and I admonish you O Israel if you would listen to me Ps 81 9 Unable to listen and understand Israel asks to be taught the Torah The Psalter is the healing remedy for the deafness that prevents one from hearing the Word of God for the blindness that prevents one from seeing the path of life Thus the new covenant announced by the prophets of the exile begins to take shape when God gives man a heart of flesh on which he will write his law

**Improving Your Prayer Life through a Study of the Psalter** Randall C. Bailey,2021-10-04 How should we pray Do we believe God answers our prayers Is it acceptable to complain to God Should we bargain with him to receive the response we desire Why do we praise God Does our praise make him any more God John Calvin argued basically that the purpose of prayer is to realign the petitioner s feelings and beliefs with God s Many today seem to have adopted this idea One says Why pray at all God knows everything so my prayers cannot change his mind I must pray to discover God s will for my life I must realign my will with God s will for my life In contrast the psalmists assumed a reciprocal process They believed they could bring pressures on God to answer their requests They would bargain with God and promise him certain things if he would only grant their petitions Indeed this was part of the process They would obligate themselves to praise God if he would grant their desires Such bargaining was the foundation of their prayers Comparisons of Calvin s views with the psalmists allows the reader to investigate the nature of his or her prayer life and make improvements where necessary [The Psalter for Christian Worship](#) Michael Morgan,1999-01-01 [The Psalter Reclaimed](#) Gordon Wenham,2013-02-28 One of the most

respected Old Testament scholars of our time introduces us to the history of scholarship on the Psalter and provides hermeneutical guidelines for interpreting the book making accessible to us the transforming messages of the Psalms
