Notes on the American Reports [1869-1887] Lawyers Co-operative Publishing Company, 1912 **Woman's Work**, 1920 *Midrashic Women* Judith R. Baskin, 2015-05-01 While most gender based analyses of rabbinic Judaism concentrate on the status of women in the halakhah the rabbinic legal tradition Judith R Baskin turns her attention to the construction of women in the aggadic midrash a collection of expansions of the biblical text rabbinic ruminations and homiletical discourses that constitutes the non legal component of rabbinic literature Examining rabbinic convictions of female alterity competing narratives of creation and justifications of female disadvantages as well as aggadic understandings of the ideal wife the dilemma of infertility and women among women and as individuals she shows that rabbinic Judaism a tradition formed by men for a male community deeply valued the essential contributions of wives and mothers while also consciously constructing women as other and lesser than men Recent feminist scholarship has illuminated many aspects of the significance of gender in biblical and halakhic texts but there has been little previous study of how aggadic literature portrays females and the feminine Such representations Baskin argues often offer a more nuanced and complex view of women and their actual lives than the rigorous proscriptions of legal discourse **The Woman's World ...** Oscar Wilde, 1889 *Laws of Michigan Relating to Women* Michigan, 1920 *Woman's Work for Woman*, 1879 *Women and the Decade of Commemorations* Oona Frawley, 2021-01-26 When women are erased from history what are we left with Between 1912 and 1922 Ireland experienced sweeping social and political change including the Easter Rising World War I the Irish Civil War the fight for Irish women s suffrage the founding of the Abbey Theatre and the passage of the Home Rule Bill In preparation for the centennial of this epic decade the Irish government formed a group of experts to oversee the ways in which the country would remember this monumental time Unfortunately the group was formed with no attempt at gender balance *Women and the Decade of Commemorations* edited by Oona Frawley highlights not only the responsibilities of Irish women past and present but it also privileges women s scholarship in an attempt to redress what has been a long standing imbalance For example contributors note the role of the Waking the Feminists movement which was ignited when in 2016 the Abbey Theater released its male dominated centenary program They also discuss the importance of addressing missing history and curating memory to correct the historical record when it comes to remembering revolution Together the essays in *Women and the Decade of Commemorations* consider the impact of women s unseen unsung work which has been critically important in shaping Ireland a country that continues to struggle with honoring the full role of women today

The Young Woman's Journal, 1904 **Women's Works in Stalin's Time** Beth Holmgren, 1993 Holmgren gives a superb comparative analysis of the literary legacy of the two memoirists *Times Literary Supplement* Beth Holmgren s book is a highly original and very productive critical appraisal of the work of Likiia Chukovskaia and Nadezhda Mandelstam *The Russian Review* This fine book with its copious informative notes and good bibliography will interest students of 20th century
