web 50 years ledeen valve actuators have created a presence in the market now a part of the cameron product line ledeen will continue its exposure to a wide variation of application requirements and environmental conditions bringing a significant accumulation of valuable field proven experience by applying the knowl

pneumatic and hydraulic actuators wegman b v - Feb 09 2023

web modular assembly consistent engineering design and efficient modular assembly allows increased flexibility to be achieved double acting spring fail close open or manual override operations are combinations that are readily obtainable on the pneumatic and hydraulic products symmetric yoke standard features

ledeen sef wegman b v - Feb 26 2022

web the cameron portfolio of ledeen actuators includes a new compact modular onboard hydraulic power unit hpu this new technology is operated by an advanced controller module combined with a reliable hydraulic actuator to fulfill all valve control requirements and increase performance applications emergency shutdown partial stroke testing

ledeen cp series compact actuator brochure directindustry - Apr 30 2022

web typical applications the ledeen compact pneumatic actuator is a quarter turn actuator ideal for space constrained installations including fpso vessels and platforms offloading buoys and manifolds esd and high integrity pressure protection system hipps
