My dear Wife it is with grate joy
 I take this time to let you know I have
 I am now in Safety in the 14th
 Regiment of Brooklyn this Day I can
 address you Thank god as a free man
 I had a little trouble in getting away
 But as the Lord led the Children of
 Israel to the land of Canaan So he led me
 To a land where freedom Will rain in spite
 Of earth and hell I see you must make your
 self content I am free fromal the Slaves
 Task and as you have chose the wise plan
 Of serving the Lord I hope you Will pray
 Much and I Will try by the help of god
 To serve him with all my hart
 I am with a very nice man and have
 All that hart can wish but my Dear
 I cant express my grate desire that I
 Have to see you I trust the time
 Will come when We shal meet again
 And if we dont met on earth we Will
 Meet in heven there I was sure

Slave Letters:

The Slave Letters Michal D. Connor, 2007-07 Illustrated with original photographs and drawings of slaves from the nineteenth century United States this book collects poems and letters of former slaves alongside interviews and testimonies making this an incomparable document of a horrific time in American history

Dear Master Randall M. Miller, 1990-10-01 Dear Master is a rare firsthand look at the values self perception and private life of the black American slave The fullest known record left by an American slave family this collection of more than two hundred letters including seven discovered since the book's original appearance reveals the relationship of two generations of the Skipwith family with the Virginia planter John Hartwell Cocke The letters dating from 1834 to 1865 fall into two groups The first were written by Peyton Skipwith and his children from Liberia where they settled after being freed in 1833 by Cocke a devout Christian and enlightened slaveholder The letters which tell of harsh frontier life reveal the American values the Skipwiths took with them to Africa and express their faith in Liberia's future and pride in their accomplishments The second group of letters written by George Skipwith and his daughter Lucy originate from Cocke's Alabama plantation an experimental work community to which Cocke sent his most talented responsible slaves to prepare them for the moral and educational challenges of emancipation George a privileged bondsman was a slave driver His letters about the management of the plantation include reports on the slaves conduct and any disciplinary actions he took Readers can sense George's pride in his work and also his ambivalence toward his role as leader in the slave hierarchy Lucy Cocke's chief domestic slave was the plantation nurse and teacher Her letters filled with details about spiritual familial and health matters also display her skill at exploiting her master's trust and her uncommon boldness for she spoke against whites to her master when she felt they hampered his slaves education Dear Master affirms that these slaves and former slaves were not simply victims they were actors in a complex human drama The letters imply trust and affection between master and slave but there were other motives as well for the letter writing The Liberian Skipwiths needed American made supplies moreover the whole family may have viewed their relationship with Cocke as a chance to help free other slaves In his new preface Miller reevaluates his book in light of changes in the historiography of American slavery over the past decade

Letters from the Slave States James Stirling, 1857

Blacks in Bondage Robert S. Starobin, 1974 The 1974 original publication of Blacks in Bondage Letters of American Slaves marked a watershed in slavery studies Before it appeared historians were resigned to studying American slavery mainly through the testimony of white and the distant recollections of blacks who had been free for many years It took this compilation of documents gathered by Robert S Starobin to convince historians that it was possible to study American slavery from the perspective of blacks living under it or only recently freed The letters show that in spite of legal and practical obstacles many slaves managed to become literate or else desired to and that slaves given greater autonomy or the hope of freedom always worked more diligently The spirit of protest is amply evidenced Included in the collection are

depositions of members of the Gabriel Conspiracy of 1800 a plan for a large scale slave revolt which was betrayed from within The letters are grouped according to the status of their authors at the time of composition for example slaves seeking to gain their freedom fugitives and freedmen living in Liberia Starobin's commentaries give the writers backgrounds and guide the reader in interpreting the texts many of which conceal subtexts full of mockery and defiance publisher's description

Letters from a Slave Girl Mary E. Lyons, 2007-01-09 Harriet Jacobs was born into slavery it's the only life she has ever known Now with the death of her mistress there is a chance she will be given her freedom and for the first time Harriet feels hopeful But hoping can be dangerous because disappointment is devastating Harriet has one last hope though escape to the North And as she faces numerous ordeals this hope gives her the strength she needs to survive Based on the true story of Harriet Ann Jacobs *Letters from a Slave Girl* reveals in poignant detail what thousands of African American women had to endure not long ago It's a story that will enlighten anger and never be forgotten

Slavery: Letters and Speeches Horace Mann, 1851 Tharp collection

Slave Testimony John W. Blassingame, 1977-06-01 A magisterial and landmark work one that merits wide and thoughtful readership not only by historians but more important by those of us who count on historians to tell us truly about our past New York Times A testament to the resilience of the black spirit faced with a primitive and largely conscienceless regime Bertram Wyatt Brown South Atlantic Quarterly This volume does much more than merely present a rich collection of judiciously selected and skillfully edited sources of the history of slavery in the process it reveals a host of large as life slaves and ex slaves Kale the precocious eleven year old Mende of the Amistad rebels who quickly learned to write eloquent and polished English Harry McMillan of Beaufort South Carolina who talked frankly of black love and marriage Charlotte Burris of Kentucky so afflicted that her husband was permitted to buy her for only 25 00 as much as I was worth she self effacingly said and many more This illumination of the slave as an individual is really what the book is all about Journal of Southern History A mammoth presentation of two centuries of slave recollections extraordinary firsthand narratives that should become the premier reference volume on the slave experience for years to come Columbia SC State The largest collection of annotated and authenticated accounts of slaves ever published in one volume So valuable a compilation is this study that its real worth cannot be measured for some time to come Richmond News Leader

Letters From The Slave States James Stirling, 2023-07-18 Originally published in 1857 this book provides a collection of letters written by the author during his travels through the slave states of America Stirling offers a firsthand account of the system of slavery and its impact on the people both enslaved and free This book is a valuable resource on the subject of American history and the abolitionist movement This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is

important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Slavery** Horace Mann,1853 **Broke by the War** A. Letters from a Slave Boy Mary E. Lyons,2012-11-27 In this companion novel to Letters from a Slave Girl Joseph s stirring quest for freedom and identity is told through letters against the backdrop of some of the most exciting and turbulent times in American history Like his mother and grandmother before him Joseph Jacobs was born into slavery Joseph lives with his grandmother and sister in North Carolina but he has not seen his mother for more than seven years Unbeknownst to Joseph his mother Harriet has been hiding from her owner in the attic of the house that Joseph lives in But when Harriet s hiding place is in danger of being revealed she is forced to flee north to safety only moments after being reunited with her family Devastated by losing his mother for the second time Joseph begins to ponder the nature of the world he lives in Soon Joseph seeking freedom and a place where he can be himself follows his mother north As he searches for answers Joseph experiences life in Massachusetts California Australia and aboard a whaling ship but there s no place where Joseph feels that he can truly be free **The Slave's Narrative** Charles T. Davis, Henry Louis Gates Jr.,1991-02-21 These autobiographies of Afro American ex slaves comprise the largest body of literature produced by slaves in human history The book consists of three sections selected reviews of slave narratives dating from 1750 to 1861 essays examining how such narratives serve as historical material and essays exploring the narratives as literary artifacts **The WPA Oklahoma Slave Narratives** T. Lindsay Baker, Julie Philips Baker,1996 I never talk to nobody bout this was the response of one aged African American when asked by a Works Project Administration field worker to share memories of his life in slavery and after emancipation He and other ex slaves were uncomfortable with the memories of a time when black and white lives were interwoven through human bondage Yet the WPA field workers overcame the old people s reticence and American West scholars T Lindsay Baker and Julie P Baker have collected all the known WPA Oklahoma slave narratives in this volume for the first time including fourteen never published before Their careful editorial notes detail what is known about the interviewees and the process of preparing the narratives Letters on American Slavery John Rankin,1833 John Rankin was pastor of the Presbyterian Church of Ripley and Strait Creek in Brown County Ohio His brother Thomas was a Virginia businessman Reverend Rankin wrote these thirteen letters with the desire of aiding and encouraging every effort for the liberation of the enslaved and degraded Africans He rebuts the canard that blacks are an inferior race What people in similar circumstances have ever given stronger marks of genius than are exhibited by the enslaved African of the United States By 1838 the book had gone through at least five editions all of which are far more common than this first edition *Letters on American Slavery* John Rankin,1838

Miscellanies, Poems, and Letters Thomas Babington Macaulay Baron Macaulay, 1900 Letters from a Slave Girl
Mary E. Lyons, McGraw-Hill-Glencoe Staff, 2001-11 A fictionalized version of the life of Harriet Jacobs told in the form of letters that she might have written during her slavery in North Carolina and as she prepared for escape to the North in 1842
