Strong across the back with three centre backs laying the foundations to keep even the best attacking teams at bay.

Attackers

In attack, work together to spill across to go to the ball or pull away from the ball. Can play high and low attackers to get use of the full depth of the penalty area and spill the opposition defence.

Attackers

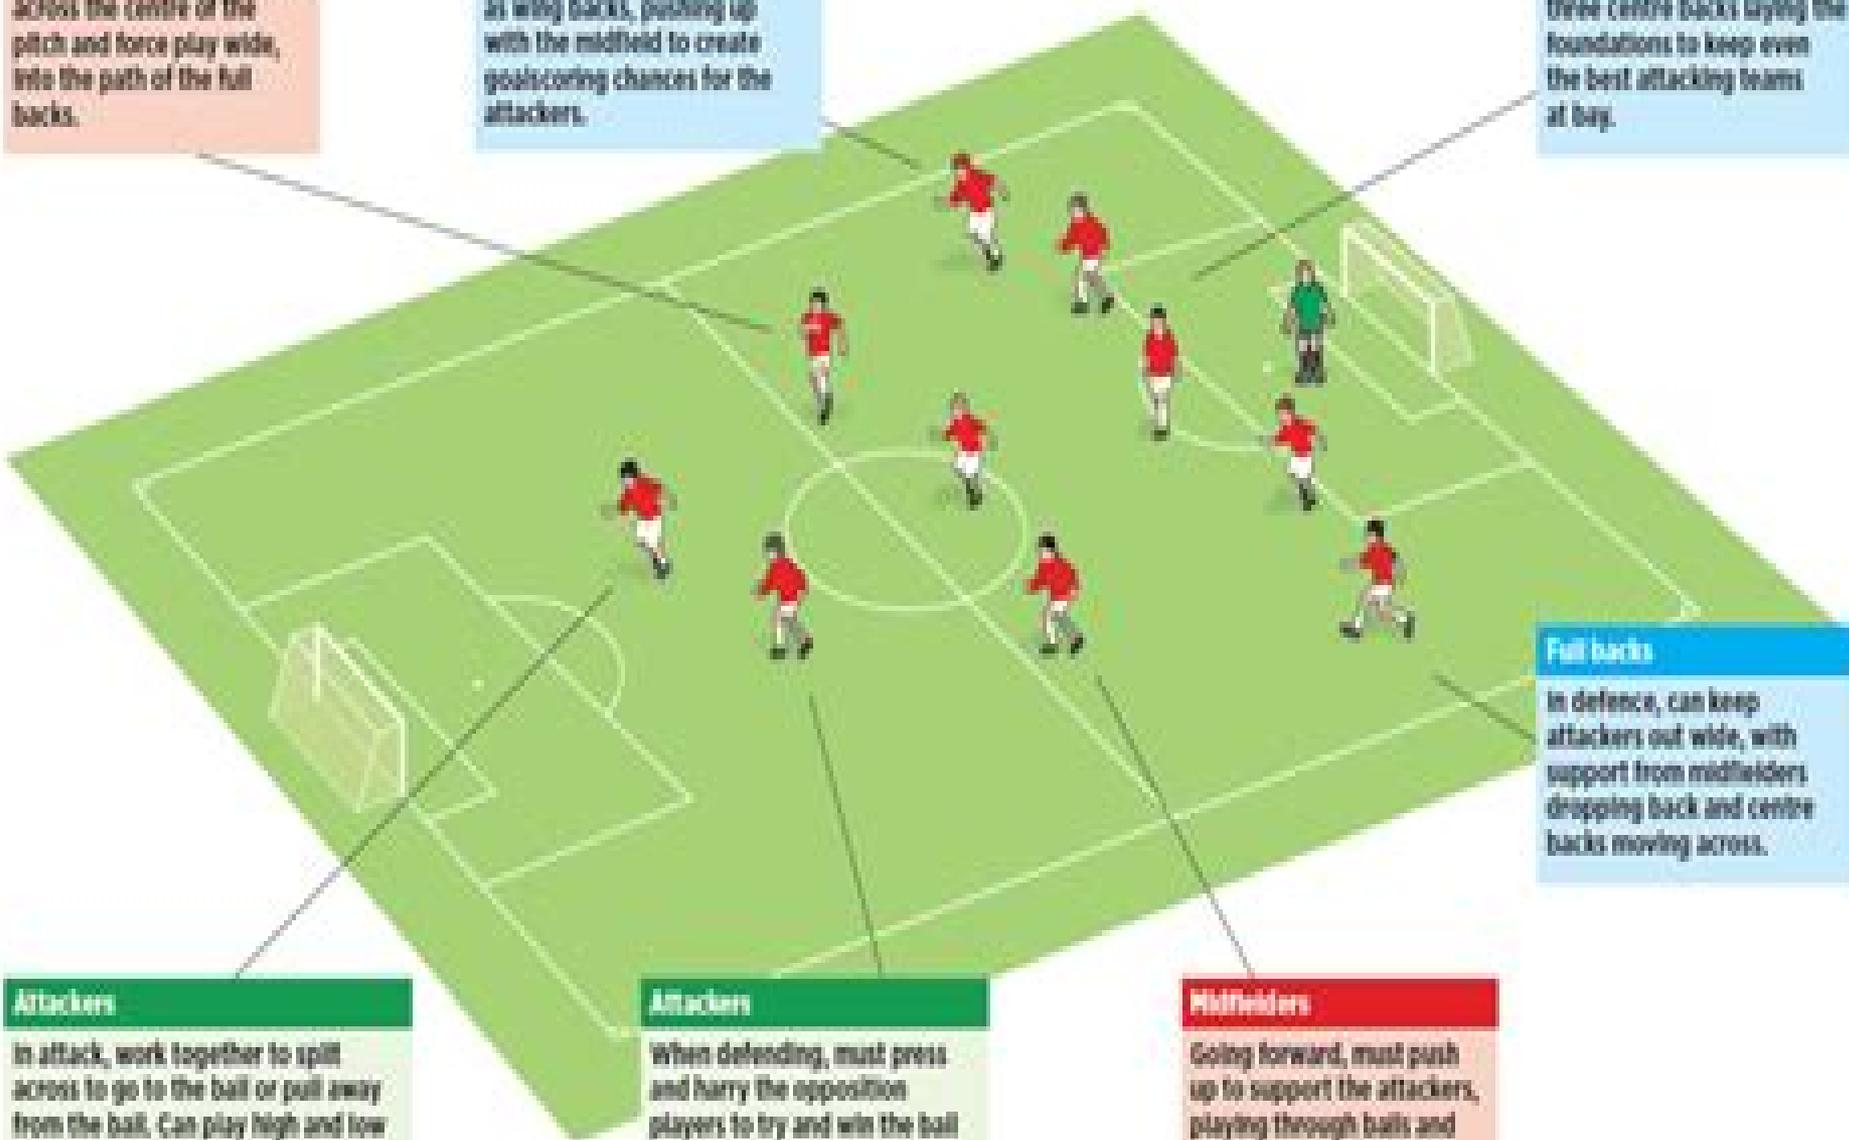

When defending, must press and harry the opposition players to try and win the ball back high up the field, before an attack can get going.

Midfielders

Going forward, must push up to support the attackers, playing through balls and also linking with the full backs who are pushing forward down the wings.
