Amritsar Mark Tully, Satish Jacob, 1986 Klappentext On 5th June 1984 the Indian army began its attack on the complex at Amritsar which houses the two most sacred shrines Generals who had pledge to minimum force and on no account to violate the shrines were not prepared for the fierce and adept resistance they encountered Having suffered severe casualties the infantry were driven back and as last resorts with approval from Delhi tanks were ordered in The Akal Takht was virtually reduced to rubble It is doubtful if Mrs Gandhi would have initiated Operation Blue Star had she known how bloody and devastating would be the consequences of that 24 hour conflict *Proceedings of the National Academy of Sciences of the United States of America* National Academy of Sciences (U.S.), 2006 *The Writer* William Henry Hills, Robert Luce, 1910

New York Star, 1921 *Midwest Stock Exchange, Inc. V. National Labor Relations Board*, 1979 *The Carter Presidency* Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped Jimmy Carter s election in 1976 would restore the New Deal agenda in the White House Instead during four tumultuous years in office Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan But Carter also backed most New Deal social programs and however reluctantly pursued a traditional containment foreign policy In this book more than a dozen eminent scholars provide a balanced overview of key elements of Carter s presidency examining the significance of his administration within the context of evolving American policy choices after World War II They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order By the time Carter took office many Americans had become disenchanted with big government and welfare spending and his presidency is viewed in these pages as a transitional administration As this volume demonstrates Carter s dilemma emerged from his effort to steer a course between traditional expectations of

federal government and new political and economic realities While most of the contributors agree that his administration may be justly criticized for failing to find that course they generally conclude that Carter was more successful than his critics acknowledge These thirteen original essays cover such topics as the economy trade and industrial policies welfare reform energy environment civil rights feminism and foreign policy They offer thoughtful assessments of Carter s performance focusing on policy both as cause and effect of the post industrial transformation of American society that shadowed his administration A final essay shows how Carter s public spirited post presidential career has made him one of America s greatest ex presidents Grounded on research conducted at the Carter Library *The Carter Presidency* is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years It is a milestone in the historical appraisal of that administration inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America

THE RADIANCE OF A THOUSAND SUNS Manreet Sodhi Someshwar, 2019-06-15 Winner of the Laadli Media Award for Gender Sensitivity and the PFC VoW Book Award for Gender Sensitivity 2020 Niki s determination to complete her dead father s unfinished book his life s work takes her from India to New York City where her pursuit of a mysterious immigrant woman turns into an obsession that begins to imperil her daughter her marriage and eventually Niki herself When a blizzard blankets NYC Niki finds herself on a path where the present and past collide violently Propulsive and poetic this elegant literary thriller melds the fervour of Punjab with the frenzy of New York Spanning the cataclysms of Partition and 9 11 via the brutality of Emergency and the pogrom of 1984 the novel explores the impossible choices women are forced to make in the face of violence the ties that connect them across ages and the secrets they store Interweaving the epic Mahabharata the poetry of Bulleh Shah and the legend of Heer *The Radiance of a Thousand Suns* is a novel about the mythic and the intimate about stories on tapestry and mobs that recur about home and love and history and those heartbreaking moments when they all come crashing together
