The Howling Man:

The Howling Man Charles Beaumont, Roger Anker, 1992-03-01 Briefly describes Beaumont's life and career as a writer and shares a selection of his stories and brief reminiscences by friends and fellow writers **The howling man** Roger Anker, 1992 **The American Fantasy Tradition** Brian Thomsen, 2002-09-21 An anthology of American fantasy literature which describes the main themes, ideas, and characteristics of the fantasy genre [A Critical History of Television's The Twilight Zone, 1959-1964](#) Don Presnell, Marty McGee, 2015-07-11 Rod Serling's anthology series *The Twilight Zone* is recognized as one of the greatest television shows of all time. Always intelligent and thought-provoking, the show used the conventions of several genres to explore such universal qualities as violence, fear, prejudice, love, death, and individual identity. This comprehensive reference work gives a complete history of the show from its beginning in 1959 to its final 1964 season, with critical commentaries, incisive analyses, and the most complete listing of casts and credits ever published. Biographical profiles of writers and contributors are included, followed by detailed appendices, bibliography, and index **An Exploration of Space 1999 Through the Lens of Video Games: Payne 1999** John K. Balor, 2019-07-02 This book contains transcripts from Online Alpha discussions where the video game PAYNE 1999 game theory and game study theories are used for analysing and commenting on problems of conflict and cooperation in SPACE 1999. The discussions build on more than a decade of conversations and debate about PAYNE 1999, and the aim of the book is to put the various threads together while also developing new ideas and providing direction for further investigations. The book has been developed on an idealistic basis and it is sold at the lowest price the publisher was willing to accept.
