The Right True End:

The Right True End Stan Barstow, 1978 The Variorum Edition of the Poetry of John Donne, Volume 2 John Donne, Gary A. Stringer, 2000 Based on an exhaustive study of the manuscript and print history of Donne's poetry this edition presents newly edited critical texts of the poems and a comprehensive digest of the critical scholarly commentary on them from Donne's time forward Textual introductions briefly locate the poems in the context of Donne's life or poetic development outline the 17th century textual history of the poems and sketch the treatment of the text by modern editors A detailed textual apparatus presents variants collated from many sources and traces the lines of textual transmission Provided by publisher *The Divine Drama* Granville Ross Pike, 1899 The Face of Mammon David Landreth, 2012-04-19 Money talked in sixteenth century England as money still does today But what the sixteenth century's gold and silver had to say for itself is strikingly different from the modern discourse of money As David Landreth demonstrates in *The Face of Mammon* the material and historical differences between the coins of the English Renaissance and today's paper and electronic money propel a distinctive and complex assessment of the relation between material substance and human value Although the sixteenth century was marked by the traumatic emergence of conditions that would prove to be characteristic of the modern economy the discipline of economics had not been invented to assess those conditions *The Face of Mammon* considers how literary texts investigated these unexplained material transformations through attention to the materiality of gold and silver money In new readings of Spenser's *Faerie Queene* Marlowe's *Jew of Malta* three plays by Shakespeare *King John* *The Merchant of Venice* and *Measure for Measure* the poetry of John Donne and the prose of Thomas Nashe Landreth argues that these texts situate the act of exchange at the center of a system of common wealth that sought to integrate political ethical and religious values with material ones and probe the ways in which market value corrodes that system even as it depends upon it Joining the methods of material culture studies to those of economic criticism *The Face of Mammon* offers a new account of the historical transformations of the concept of value to scholars of early modern literature culture and art as well as to those interested in economic history **Rigorous State-Based Methods** Alexander Raschke, Dominique Méry, 2021-05-22 This book constitutes the proceedings of the 8th International Conference on Rigorous State Based Methods ABZ 2021 which was planned to take place in Ulm Germany during June 6-11 2021 The conference changed to an online format due to the COVID-19 pandemic The 6 full and 8 short papers included in this volume were carefully reviewed and selected from 18 submissions The proceedings also include 3 PhD symposium contributions They deal with state based and machine based formal methods mainly Abstract State Machines ASM Alloy B TLA VDM and Z The True Education Emerson Elbridge White, 1872
Dictionary of Scholastic Philosophy Bernard Wuellner, 2024-09-04 The scholastic philosopher is interested in definition for a different reason than the lexicographer and linguist The philosopher is trying to learn things Fe defines after investigating reality in an attempt to describe reality clearly and to sum up some aspect of his understanding of reality Hence

we find our scholastic philosophers adopting as a main feature of their method this insistence on defining on precise and detailed explanation of their definitions and on proving that their definitions do correctly express what a nature or activity is. A dictionary of the language of scholastic philosophy fitted to the needs of beginners and of undergraduate students of the subject is not available in English. About the Author Bernard Wuellner S J was chairman of the Philosophy Department of the University of Detroit from 1938 to 1943 when he came to Loyola University to teach and to write and edit various publications.
