The Robert Lehman Collection Metropolitan Museum of Art (New York, N.Y.), George Szabó, 1975 The Robert Lehman Collection Metropolitan Museum of Art (New York, N.Y.), 1987 **The Metropolitan Museum of Art** George Szabo, 1975

The Robert Lehman Collection Richard R. Brettell, 2002 The Robert Lehman Collection Metropolitan Museum of Art (N.Y.), 1987 **Guide to the Robert Lehman Collection**, 1975 Seventeenth-century Dutch and Flemish Drawings from

the Robert Lehman Collection Metropolitan Museum of Art (New York, N.Y.), George Szabó, 1979 **The Robert Lehman Collection** Metropolitan Museum of Art (New York, N.Y.), 1987 Robert Lehman one of the foremost art collectors of his generation embraced traditional and modern masters This work catalogues 130 nineteenth and 20th century paintings that are part of the Robert Lehman Collection at the Metropolitan Museum It includes paintings by Ingres Theodore Rousseau and Corot among other early 19th century artists In addition to a group of early German drawings this collection includes a Saint Paul from a series associated with Jan van Eyck and the famous Scupstool from the circle of Rogier van der Weyden It discusses all drawings placing each in its art historical setting and complementing it with comparative illustrations of related works The Robert Lehman Collection: Italian eighteenth-century drawings Metropolitan Museum of Art (New York,

Signac (1863-1935) George Szabo, 1977-12-01 Paul Signac and Georges Sureau were the founders and the chief proponents of the Neo Impressionist group of artists the most prominent force in French art from 1886 until 1891 This exhibition represents the complete holdings of Paul Signac s work in the Metropolitan Museum of Art the majority of which are in the Robert Lehman Collection Parallel to this show drawings and oil sketches of Seurat from New York collections are exhibited in the galleries of the Department of Drawings Robert Lehman was very fond of Signac s art He appreciated the dignified serenity and exact organization of the compositions and he admired the free flowing arabesques of line and the brilliance of the colors Mr Lehman acquired several oils and dozens of watercolors by Signac during the long years of his collecting Many of these were given to museums and friends but a considerable group of the artist s works remained in the collection at the time it entered the Metropolitan Museum Therefore it seemed natural that as part of our program of making available to the public larger segments of the Robert Lehman Collection an exhibition of Paul Signac s works should be organized

Furthermore for the first time we have included in this exhibition the Signac holdings of other departments of the Museum The drawings and oils sketches of Georges Seurat from the Robert Lehman Collection are naturally all included in the Seurat exhibition The Robert Lehman Collection Metropolitan Museum of Art (New York, N.Y.), John Pope-Hennessy, 1987

Publications of the Metropolitan Museum of Art, 1964-2005 Metropolitan Museum of Art, 2012-10-09 The present volume Publications of The Metropolitan Museum of Art 1964 2005 is a successor to a volume published by the Museum in 1965

entitled *Publications of The Metropolitan Museum of Art 1870-1964*. These two bibliographic volumes endeavor to list all the known books, pamphlets, and serial publications bearing the Museum's imprint and issued by the institution during the first 135 years of its existence through June 2005. The first volume was compiled by Albert TenEyck Gardner at the time an Associate Curator of American Paintings and Sculpture, and the present volume has been compiled from the Annual Reports issued by the Museum during the relevant years. Together, the two volumes testify to the tremendous contributions made to knowledge by the curators and conservators of the Metropolitan and by the many other experts who have contributed to the Museum's exhibition catalogues. Various issues of the *Bulletin* emphasize the great sweep of the Museum's acquisitions during these years, and the exhibition catalogues, a number of them Alfred H. Barr Jr. Award or the George Wittenborn Award, testify to the continuity of the institution's dedicated program to enrich people's lives through knowledge of art. This title was originally published in 2006.
