## To Have And Have Not:

**To Have and Have Not** Jules Furthman, William Faulkner, 1980 The story of the making of *To Have and Have Not* 1944 is an exciting and complex one ranging from the widely reported romance between its stars Humphrey Bogart and the unknown nineteen year old Lauren Bacall to one of the more subtle developments in the wartime alliance between the United States and the Batista regime in Cuba Bruce F Kawin's substantial and informed introduction reflects this excitement while explaining the complexities helping all film scholars students and buffs to gain a fuller appreciation of one of Hollywood's most memorable melodramas This is a story also of a collaboration among four important writers Ernest Hemingway Howard Hawks Jules Furthman and William Faulkner

To Have and Have Not Ernest Hemingway, 2002-07-25 From one of the best writers in American literature a classic novel about smuggling intrigue and love *To Have and Have Not* is the dramatic story of Harry Morgan an honest man who is forced into running contraband between Cuba and Key West as a means of keeping his crumbling family financially afloat His adventures lead him into the world of the wealthy and dissipated yachtsmen who throng the region and involve him in a strange and unlikely love affair In this harshly realistic yet oddly tender and wise novel Hemingway perceptively delineates the personal struggles of both the haves and the have nots and creates one of the most subtle and moving portraits of a love affair in his oeuvre By turns funny and tragic lively and poetic remarkable in its emotional impact *To Have and Have Not* is literary high adventure at its finest

*To Have and Have Not* Jonathan Marshall, 2021-01-08 Jonathan Marshall makes a provocative statement it was not ideological or national security considerations that led the United States into war with Japan in 1941 Instead he argues it was a struggle for access to Southeast Asia's vast storehouse of commodities rubber oil and tin that drew the United States into the conflict Boldly departing from conventional wisdom Marshall reexamines the political landscape of the time and recreates the mounting tension and fear that gripped U S officials in the months before the war Unusual in its extensive use of previously ignored documents and studies this work records the dilemmas of the Roosevelt administration it initially hoped to avoid conflict with Japan and after many diplomatic overtures it came to see war as inevitable Marshall also explores the ways that international conflicts often stem from rivalries over land food energy and industry His insights into resource war the competition for essential commodities will shed new light on U S involvement in other conflicts notably in Vietnam and the Persian Gulf This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995
